DEPARTMENT OF TRANSPORTATION**

LIMITED USE PERMIT

C.S. 0206 (T.H. 47)
County of Anoka
LUP # 0206-0112
Permittee: City of St. Francis
Expiration Date: 04/02/2035
Coop./Const. Agmt #N/A

In accordance with Minnesota Statutes Section 161.434, the State of Minnesota, through its Commissioner of Transportation, ("MnDOT"), hereby grants a Limited Use Permit (the "LUP") to City of St. Francis, ("Permittee"), to use the area within the right of way of Trunk Highway No. 47 as shown in red on Exhibit "A", (the "Area") attached hereto and incorporated herein by reference. This Limited Use Permit is executed by the Permittee pursuant to resolution, a certified copy of which is attached hereto as Exhibit B.

Snowmobile Trail - Nighttime, Two Way Use

The Permittee's use of the Area is limited to only the constructing, maintaining and operating a snowmobile trail ("Facility"). Nighttime two-way use is authorized in the opinion of the Minnesota Department of Transportation District Traffic Engineer, DNR Enforcement Office and District State Patrol Office. It has been deemed safer to use only one side of the road for two way snowmobile traffic. This decision averts the need for trail users driving in the opposite direction to cross the road twice to avoid oncoming snowmobile trail traffic. This LUP is unique to other trail permits. The definition and operation of snowmobiles shall be in accordance with Minnesota Statutes §84.81 and §84.87. Approved signs must be in accordance with Minnesota Rules for the Department of Natural Resources §6100.5300 and §6102.0060 and also in accordance with "Minnesota Snowmobile Safety, Laws, Rules and Regulations".

The permittee agrees that this permit totally replaces and supersedes the previously issued Limited Use permit affecting the Area, specifically: Permit, #0206-0024, was issued on 6/14/2010 on CS 0206 (TH 47=110). Upon issuance of this permit the earlier issued permit is cancelled.

In addition, the following special provisions shall apply:

SPECIAL PROVISIONS

1. **TERM.** This LUP terminates at 11:59PM on 04/02/2035 ("Expiration Date") subject to the right of cancellation by MnDOT, with or without cause, by giving the Permittee ninety (90) days written notice of such cancellation. This LUP will not be renewed except as provided below.

Provided this LUP has not expired or terminated, MnDOT may renew this LUP for a period of up to ten (10) years, provided Permittee delivers to MnDOT, not later than ninety (90) days prior to the Expiration Date, a written request to extend the term. Any extension of the LUP term will be under the same terms and conditions in this LUP, provided:

- (a) At the time of renewal, MnDOT will review the Facility and Area to ensure the Facility and Area are compatible with the safe and efficient operation of the highway and the Facility and Area are in good condition and repair. If, in MnDOT's sole determination, modifications and repairs to the Facility and Area are needed, Permittee will perform such work as outlined in writing in an amendment of this LUP; and
- (b) Permittee will provide to MnDOT a certified copy of the resolution from the applicable governmental body authorizing the Permittee's use of the Facility and Area for the additional term.

If Permittee's written request to extend the term is not timely given, the LUP will expire on the Expiration Date.

Permittee hereby voluntarily releases and waives any and all claims and causes of action for damages, costs, expenses, losses, fees and compensation arising from or related to any cancellation or termination of this LUP by MnDOT. Permittee agrees that it will not make or assert any claims for damages, costs, expenses, losses, fees and compensation based upon the existence, cancellation or termination of the LUP. Permittee agrees not to sue or institute any legal action against MnDOT based upon any of the claims released in this paragraph.

2. **REMOVAL.** Upon the Expiration Date or earlier termination, at the Permittee's sole cost and expense Permittee will:

- (a) Remove the Facility and restore the Area to a condition satisfactory to the MnDOT District Engineer; and
- (b) Surrender possession of the Area to MnDOT.

If, without MnDOT's written consent, Permittee continues to occupy the Area after the Expiration Date or earlier termination, Permittee will remain subject to all conditions, provisions, and obligations of this LUP, and further, Permittee will pay all costs and expenses, including attorney's fees, in any action brought by MnDOT to remove the Facility and the Permittee from the Area.

3. **CONSTRUCTION.** The construction, maintenance, and supervision of the Facility shall be at no cost or expense to MnDOT.

Before construction of any kind, the plans for such construction shall be approved in writing by the MnDOT's District Engineer. Approval in writing from MnDOT District Engineer shall be required for any changes from the approved plan.

The Permittee will construct the Facility at the location shown in the attached Exhibit "A", and in accordance with MnDOT-approved plans and specifications. Further, Permittee will construct the Facility using construction procedures compatible with the safe and efficient operation of the highway.

Upon completion of the construction of the Facility, the Permittee shall restore all disturbed slopes and ditches in such manner that drainage, erosion control and aesthetics are perpetuated.

The Permittee shall preserve and protect all utilities located on the lands covered by this LUP at no expense to MnDOT and it shall be the responsibility of the Permittee to call the Gopher State One Call System at 1-800-252-1166 at least 48 hours prior to performing any excavation.

Any crossings of the Facility over the trunk highway shall be perpendicular to the centerline of the highway and shall provide and ensure reasonable and adequate stopping sight distance.

4. MAINTENANCE. Any and all maintenance of the Facility shall be provided by the Permittee at its sole cost and expense, including, but not limited to, plowing and removal of snow and installation and removal of regulatory signs. No signs shall be placed on any MnDOT or other governmental agency sign post within the Area. MnDOT will not mark obstacles for users on trunk highway right of way.
5. USE. Other than as identified and approved by MnDOT, no permanent structures or no advertising devices in any manner, form or size shall be allowed on the Area. No commercial activities shall be allowed to operate upon the Area.

Any use permitted by this LUP shall remain subordinate to the right of MnDOT to use the property for highway and transportation purposes. This LUP does not grant any interest whatsoever in land, nor does it establish a permanent park, recreation area or wildlife or waterfowl refuge. No rights to relocation benefits are established by this LUP.

This LUP is non-exclusive and is granted subject to the rights of others, including, but not limited to public utilities which may occupy the Area.

6. APPLICABLE LAWS. This LUP does not release the Permittee from any liability or obligation imposed by federal law, Minnesota Statutes, local ordinances, or other agency regulations relating thereto and any necessary permits relating thereto shall be applied for and obtained by the Permittee.

Permittee at its sole cost and expense, agrees to comply with, and provide and maintain the Area, Facilities in compliance with all applicable laws, rules, ordinances and regulations issued by any federal, state or local political subdivision having jurisdiction and authority in connection with said Area including the Americans with Disabilities Act ("ADA"). If the Area and Facilities are not in compliance with the ADA or other applicable laws MnDOT may enter the Area and perform such obligation without liability to Permittee for any loss or damage to Permittee thereby

incurred, and Permittee shall reimburse MnDOT for the cost thereof, plus 10% of such cost for overhead and supervision within 30 days of receipt of MnDOT's invoice.

7. **CIVIL RIGHTS.** The Permittee for itself, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree that in the event improvements are constructed, maintained, or otherwise operated on the Property described in this Limited Use Permit for a purpose for which a MnDOT activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, the Permittee will maintain and operate such improvements and services in compliance with all requirements imposed by the Acts and Regulations relative to nondiscrimination in federally-assisted programs of the United States Department of Transportation, Federal Highway Administration, (as may be amended) such that no person on the grounds of race, color, national origin, sex, age, disability, income-level, or limited English proficiency will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said improvements.
