PRESERVE 16.5' VEGETATED
WETLAND BUFFER (TYP.)

The site plan shows a proposed building layout with a central rectangular structure and several smaller rectangular structures to the right. A large, irregularly shaped area is shaded in light gray and labeled 'PRESERVE 16.5' VEGETATED WETLAND BUFFER (TYP.)'. This area is bordered by a dashed line. To the left of the wetland buffer is a road labeled 'MAGRE ST NW'. The road is shown with a centerline and dashed lines indicating the right-of-way. The wetland buffer is labeled with 'WID' and 'WBD' along its perimeter. The road is labeled with 'XC' along its length. The plan also shows contour lines and a north arrow. A scale bar indicates distances of 0, 25, 50, and 100 feet. A note in the top left corner states: 'NOTE: 1. ADDITIONAL GRADING WITHIN CONSTRUCTION LIMITS BEYOND THIS SHEET IS NOT ANTICIPATED.'

A horizontal scale bar with tick marks at 0, 25, 50, and 100 feet. The text "SCALE IN FEET" is written vertically above the bar.
