Caption 10 words which reasonably identifies the subject of the measure.

Creation of Police Protection Services Staff Funding Local Option Tax

Question 20 words which plainly phrases the chief purpose of the measure.

Shall City assess five-year operating levy for police at rate of \$0.52 Per \$1,000 assessed value beginning 2024-2025? This measure may cause property taxes to increase more than three percent.

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

The City's current tax revenues cannot support quantity of officers needed to protect and serve our city.

The City will use the levy to create an Enhanced Law Enforcement Operating Fund. This will be used exclusively for increasing law enforcement presence throughout St. Helens and increasing police officer presence within the city. This fund would add three additional officers, necessary equipment, necessary training, and enable the police to continue to provide 24/7 law enforcement coverage in St. Helens as well as reduce response times.

In order to provide these basic services, the City is requesting a new five-year levy to a rate of \$0.52 Per \$1,000 assessed property value. The City will use the tax revenue from this measure to fund additional police officers.

The levy will raise approximately \$604,411 in 2024-25; \$628,587 in 2025-26; \$653,731 in 2026-27; \$679,881 in 2027-28; and \$707,076 in 2028-29. The levy would then expire.

For a home assessed value of \$200,000 the annual cost of this levy would be an estimated \$104 per year.

The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the County Assessor at the time of the estimate and may reflect the impact of early payment discounts, compression, and the collection rate.
