From: Kathy Payne, Human Resources Coordinator/City Recorder

Date: June 21, 2023

I am happy to announce that we have one employee who has reached a milestone in their employment with the City of St. Helens. The following individual will be recognized at the April 5 Council Work Session.

### **5 Years**

**Mike De Roia** came to work for the City as a Building Official in May 2018 where he has served ever since.

City Planner Jacob Graichen had this to say about Mike, "Mike cares about the outcome of his efforts and the city as a whole. He is a helpful and collaborative coworker who, despite the political challenges of being the Building Official and all of its responsibilities, takes his job in stride."

Engineering Manager Sharon Darroux shared this about Mike, "Mike sets a high standard with his work ethics and dedication. His positive attitude inspires everyone to give their best and I appreciate all his hard work. Happy work anniversary Mike!"

**Congratulations, Mike,** and **thank you** for your service!
