21 Century Community Learning Center Details: 5 year grant

- 21st CCLC programs focus on helping children in schools who serve a large portion of students navigating poverty succeed academically through the application of evidence-based practices during non-school hours by:
 - 1. Providing opportunities for academic enrichment**, including providing tutorial services, to help students meet the challenging state academic standards in core academic subjects such as reading, writing, and mathematics;
 - 2. Offering students a broad array of additional services, programs, and activities**, such as youth development activities, service learning, nutrition and health education, cultural programs, counseling programs, arts, music, physical fitness and wellness programs, technology education programs, financial literacy programs, environmental literacy programs, science, career and technical programs, and internship or apprenticeship programs that are designed to reinforce and complement the regular academic program of participating students; and
 - 3. Offering families of students served by community learning centers opportunities for active and meaningful engagement in their children's education**, including opportunities for literacy and related educational development.

Up Next

- Keep strengthening partnerships to help provide a safe and inclusive environment for all ages.
- Working with some new partners/businesses on programing.
- Focusing on what we “can do”
- Continue to explore grants, sponsorships and other funding opportunities.
- Expand our teaching and contract services.
- Create customer surveys for programing they would like to see.
