

STAFF REPORT (Item Specific)

Meeting Date: July 16, 2025
Author: Gloria Butsch, Finance Director
Department: Administration
Division: Finance
Subject: Universal Fee Schedule Update
Type of Item: Resolution
CC: City Administrator John Walsh

Introduction:

Background:

On May 29, 2025 the budget committee approved the FY2026 budget. The FY2026 budget was approved by City Council on June 18, 2025.

The adopted budget included new and updated fees. All departments reviewed the various fees and updated accordingly.

Staff Analysis:

Attached is the Universal Fees Schedule with the changes and additions highlighted. The most significant items are the changes to the Business Licenses fees for Rentals, the additions of an Event Impact Fee on event ticket sales and Nuisance Call Fees.

Budget Impact:

The fee increases and additions were identified during the FY2026 budget process and are necessary to help maintain a positive General Fund reserve balance.

Alternatives:

The adopted FY2026 budget for the General Fund is well below city policy and significantly below what is considered good fiscal management.

The alternatives are:

- Operating Tax Levy – requires a ballot measure
- Service Fee billed with the utility billings
- Service reductions

Requested Action:

Staff recommends adoption of Resolution No. 2048, updated Universal Fee Schedule.
