

LENGTH OF SERVICE AWARD PROGRAM

To: Mayor and City Council
From: Kathy Payne, City Recorder
Date: July 21, 2021

I am happy to announce that we have two employees who have reached milestones in their employment with the City of St. Helens. The following individuals will be recognized at the July 21 Council Work Session.

15 Years

Jesse Templin began working for the City on July 10, 2006, as a Utility Worker I. In 2012, he moved into the Utility Worker II position, where she still serves today.

5 Years

Jamie Edwards began working for the City on July 5, 2016, as a Utility Billing Specialist. In 2017, her title was changed and duties added to include court payments. Then in 2020, her title was changed again to encompass all her duties as an Administrative Billing Specialist, where she still serves today.

Congratulations, Jesse and Jamie, and thank you for your service!
