of the St. Helens Urban Renewal Area
to the City of St. Helens to pay a Special Public Works Fund Loan**

This Intergovernmental Agreement (the “Intergovernmental Agreement”) is dated as of **April 6, 2022**, and is entered into by and between the **Urban Renewal Agency** of the City of St. Helens (the “URA”) and the **City of St. Helens, Oregon** (the “City”). The parties hereby agree as follows:

Section 1. Definitions and Recitals.

(1) Definitions.

Unless the context clearly requires otherwise, capitalized terms used in this Intergovernmental Agreement that are defined in this Section 1(1) shall have the following meanings:

“Area” means the St. Helens Urban Renewal Area described in the URA’s Urban Renewal Plan.

“IFA Contract” means the contract (numbered B21006) with the Oregon Infrastructure Finance Authority under which the City obtains a loan in the amount of not more than \$14,667,678 from the Special Public Works Fund to finance the Project.

“Plan” means the St. Helens Urban Renewal Plan & Report approved by Ordinance No. 3217, adopted on August 16, 2017, as that plan has been, and may in the future be, amended.

“Project” means construction of municipally owned infrastructure as described in Exhibit C of the IFA Contract (**Exhibit A**).

“Tax Increment Revenues” means all revenues that the URA collects for the Area under the provisions of Article IX, Section 1c of the Oregon Constitution and Oregon Revised Statutes Chapter 457.

(2) Findings.

- (A) The City has entered into the IFA Contract to finance costs of the Project.
- (B) The URA is authorized to spend Tax Increment Revenues to pay for the costs of the Project.
- (C) The IFA Contract with security from the URA’s Tax Increment Revenues enables significant cost savings, through reduced interest rates and fees, for the URA by having the City as applicant for the IFA Contract (**Exhibit A**).
- (D) The Project will assist the URA in carrying out its Plan.
- (E) The URA will only spend the proceeds of the IFA Contract on the Project if the Project is described in the Plan, located in the Area, and owned by the City or the URA.
- (F) The URA will appropriate funding needed for payments in each year’s budget.

- (G) The URA has an unused maximum indebtedness of \$62 million of available prior to executing this Intergovernmental Agreement.

Section 2. Payments and Warranties

- (2) This Intergovernmental Agreement shall constitute indebtedness of the URA. The URA is obligated to make the payments due under this Intergovernmental Agreement solely from the Tax Increment Revenues. Pursuant to Oregon Revised Statutes Section 287A.310, the URA pledges the Tax Increment Revenues to pay the amounts described in Section 2 of this Intergovernmental Agreement. This pledge shall be subordinate to the tax increment indebtedness of the URA that are outstanding on the date this Intergovernmental Agreement is executed, but shall be superior to all other obligations of the URA except to the extent that the City subsequently agrees in writing to subordinate this pledge.
- (3) The URA agrees it will not remove any property from the Area if such removal will cause the anticipated Incremental Property Tax Revenues to be inadequate to pay the annual debt service on the Loan and any parity obligations.
- (4) The URA represents and warrants that the IFA Contract loan amount is within the maximum amount of indebtedness that may be incurred under the URA's Plan.

Section 3. Estoppel.

The URA hereby certifies, recites and declares that all things, conditions and acts required by the Constitution and Statutes of the State of Oregon and by this Intergovernmental Agreement to exist, to have happened and to have been performed precedent to and in the execution and the delivery of this Intergovernmental Agreement, do exist, have happened and have been performed in due time, form and manner, as required by law, and that this Intergovernmental Agreement is a valid and binding obligation of the URA that is enforceable against the URA in accordance with its terms, except to the extent that enforceability may be limited by applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws or judicial decisions or principles of equity relating to or affecting the enforcement of creditors' rights or contractual obligations generally.

Section 4. Miscellaneous.

- (1) Binding Effect.

This Intergovernmental Agreement shall inure to the benefit of and shall be binding upon the URA and the City and their respective successors and assigns.

- (2) Severability.

In the event any provisions of this Intergovernmental Agreement shall be held invalid or

(3) Amendments.

This Intergovernmental Agreement may be amended only by a writing signed by both parties.

(4) Execution in Counterparts.

This Intergovernmental Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute the same instrument.

This interim financing contract (“Contract”), dated as of the date the Contract is fully executed, is made by the State of Oregon, acting by and through its Oregon Infrastructure Finance Authority of the Business Development Department (“OBDD”), and the City of Saint Helens (“Recipient”) for financing of the project referred to above and described in Exhibit C (“Project”). This Contract becomes effective only when fully signed and approved as required by applicable law. Capitalized terms not defined in section 1 and elsewhere in the body of the Contract have the meanings assigned to them by Exhibit A.

This Contract includes the following exhibits, listed in descending order of precedence for purposes of resolving any conflict between two or more of the parts:

Exhibit A	General Definitions
Exhibit B	Security
Exhibit C	Project Description
Exhibit D	Project Budget

SECTION 1 - KEY TERMS

The following capitalized terms have the meanings assigned below.

“Estimated Project Cost” means \$15,516,178.

“Interest Rate” means 0.6% per annum.

“Loan Amount” means \$14,667,678.

“Maturity Date” means the earlier of 3 years plus 90 days after the date of this Contract, or the receipt of Refunding Proceeds by either party.

“Project Closeout Deadline” means 90 days after the earlier of the Project Completion Date or the Project Completion Deadline.

“Project Completion Deadline” means 36 months after the date of this Contract.

SECTION 2 - FINANCIAL ASSISTANCE

The OBDD shall provide Recipient, and Recipient shall accept from OBDD, financing for the Project as a non-revolving loan (the “Loan”) in an aggregate principal amount not to exceed the Loan Amount.

Notwithstanding the above, the aggregate total of Financing Proceeds disbursed under this Contract cannot exceed the Costs of the Project.

SECTION 3 - DISBURSEMENTS

A. Reimbursement Basis. The Financing Proceeds will be disbursed to Recipient on an expense reimbursement or costs-incurred basis. The Recipient must submit each disbursement request for the Financing Proceeds on an OBDD-provided or OBDD-approved disbursement request form (“Disbursement Request”).

- B. Financing Availability. The OBDD's obligation to make, and Recipient's right to request, disbursements under this Contract terminates on the Project Closeout Deadline.
- C. Payment to Contractors. The OBDD, in its sole discretion, may make direct payment to suppliers, contractors and subcontractors and others for sums due them in connection with construction of the Project, instead of reimbursing Recipient for those sums.

SECTION 4 - LOAN PAYMENT; PREPAYMENT

- A. Promise to Pay. The Recipient shall repay the Loan and all amounts due under this Contract in accordance with its terms. Payments required under this Contract are, without limitation, payable from the sources of repayment described in the Act and this Contract, including but not limited to Exhibit B, and the obligation of Recipient to make all payments is absolute and unconditional. Payments will not be abated, rebated, set-off, reduced, abrogated, terminated, waived, postponed or otherwise modified in any manner whatsoever. Payments cannot remain unpaid, regardless of any contingency, act of God, event or cause whatsoever, including (without limitation) any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, the taking by eminent domain or destruction of or damage to the Project, commercial frustration of purpose, any change in the laws, rules or regulations of the United States of America or of the State of Oregon or any political subdivision or governmental authority, nor any failure of OBDD to perform any agreement, whether express or implied, or any duty, liability, or obligation arising out of or connected with the Project or this Contract, or any rights of set off, recoupment, abatement or counterclaim that Recipient might otherwise have against OBDD or any other party or parties; provided further, that payments hereunder will not constitute a waiver of any such rights.
- B. Interest. Interest accrues at the Interest Rate on each disbursement from the date of disbursement until the Loan is fully paid. Interest is computed by counting the actual days occurring in a 360-day year.

The Recipient authorizes OBDD to calculate interest accrued under the Loan, including as necessary to determine the loan amortization schedule, a loan prepayment, or a loan payoff amount. Absent manifest error, such calculations will be conclusive.
- C. Loan Payment. The entire outstanding balance of the Loan, including all accrued unpaid interest, is due and payable in full on the Maturity Date.
- D. Loan Prepayments.
 - (1) Mandatory Prepayment. The Refunding Proceeds shall be applied to repay the outstanding balance of the Contract. Further, Recipient shall prepay all or part of the outstanding balance of the Loan as may be required by this Contract.
 - (2) Optional Prepayment. The Recipient may prepay all or part of the outstanding balance of the Loan on any day except a Saturday, Sunday, legal holiday or day that banking institutions in Salem, Oregon are closed.
- E. Application of Payments. Regardless of any designation by Recipient, payments and prepayments by Recipient under this Contract or any of the Financing Documents will be applied first to any expenses of OBDD, including but not limited to attorneys' fees, then to unpaid accrued interest (in the case of prepayment, on the amount prepaid), then to the principal of the Loan. In the case of a Loan prepayment that does not prepay all the principal of the Loan, OBDD will determine, in its sole discretion, the method for how the Loan prepayment will be applied to the outstanding principal

payments. A scheduled payment received before the scheduled repayment date will be applied to interest and principal on the scheduled repayment date, rather than on the day such payment is received.

SECTION 5 - CONDITIONS PRECEDENT

- A. Conditions Precedent to OBDD's Obligations. The OBDD's obligations are subject to the receipt of the following items, in form and substance satisfactory to OBDD and its Counsel:
- (1) This Contract duly signed by an authorized officer of Recipient.
 - (2) A copy of the ordinance, order or resolution of the governing body of Recipient authorizing the borrowing and the contemplated transactions and the execution and delivery of this Contract and the other Financing Documents.

 - (5) The OBDD (a) has received a completed Disbursement Request, (b) has received any written evidence of materials and labor furnished to or work performed upon the Project, itemized receipts or invoices for payment, and releases, satisfactions or other signed statements or forms as OBDD may require, (c) is satisfied that all items listed in the Disbursement Request are reasonable and that the costs for labor and materials were incurred and are properly included in the Costs of the Project, and (d) has determined that the disbursement is only for costs defined as eligible costs under the Act and any implementing administrative rules and policies.
 - (5) The Recipient has delivered documentation satisfactory to OBDD that, in addition to the Financing Proceeds, Recipient has available or has obtained binding commitments for all funds necessary to complete the Project.

- (6) Any conditions to disbursement elsewhere in this Contract or in the other Financing Documents are met.

SECTION 6 - USE OF FINANCIAL ASSISTANCE

- C. Costs Paid for by Others. The Recipient may not use any of the Financing Proceeds to cover costs to be paid for by other financing for the Project, whether from OBDD or from another State of Oregon agency or any third party.

SECTION 7 - REPRESENTATIONS AND WARRANTIES OF RECIPIENT

The Recipient represents and warrants to OBDD:

- A. Estimated Project Cost, Funds for Repayment. A reasonable estimate of the Costs of the Project is shown in section 1, and the Project is fully funded. The Recipient will have adequate funds available to repay the Loan, and the Maturity Date does not exceed the usable life of the Project.
- B. Organization and Authority.
- (1) The Recipient is a Municipality under the Act, and validly organized and existing under the laws of the State of Oregon.

- E. No Defaults.
- (1) No Defaults or Events of Default exist or occur upon authorization, execution or delivery of this Contract or any of the Financing Documents.
 - (2) The Recipient has not violated, and has not received notice of any claimed violation of, any agreement or instrument to which it is a party or by which the Project or its property may be bound, that would materially adversely affect the Project or the ability of Recipient to make all payments and perform all obligations required by this Contract and the other Financing Documents.
- F. Compliance with Existing Agreements and Applicable Law. The authorization and execution of, and the performance of all obligations required by, this Contract and the other Financing Documents will not: (i) cause a breach of any agreement, indenture, mortgage, deed of trust, or other instrument, to which Recipient is a party or by which the Project or any of its property or assets may be bound; (ii) cause the creation or imposition of any third party lien, charge or encumbrance upon any property or asset of Recipient; (iii) violate any provision of the charter or other document pursuant to which Recipient was organized or established; or (iv) violate any laws, regulations, ordinances, resolutions, or court orders related to Recipient, the Project or its properties or operations.

- E. Operation and Maintenance of the Project. The Recipient shall operate and maintain the Project in good repair and operating condition so as to preserve the long term public benefits of the Project, including making all necessary and proper repairs, replacements, additions, and improvements during term of the Loan. On or before the Project Closeout Deadline, Recipient shall adopt a plan acceptable to OBDD for the on-going operation and maintenance of the Project without reliance on OBDD financing and furnish OBDD, at its request, with evidence of such adoption. The plan must include measures for generating revenues sufficient to assure the operation and maintenance of the Project during the usable life of the Project.
- F. Insurance, Damage. The Recipient shall maintain, or cause to be maintained, insurance policies with responsible insurers or self-insurance programs, insuring against liability and risk of direct physical loss, damage or destruction of the Project, at least to the extent that similar insurance is customarily carried by governmental units constructing, operating and maintaining similar facilities. If the Project or any portion is destroyed, any insurance proceeds will be paid to OBDD and applied to prepay the outstanding balance on the Loan in accordance with section 4.D.(1), unless OBDD agrees in writing that the insurance proceeds may be used to rebuild the Project.
- G. Sales, Leases and Encumbrances. Nevertheless, OBDD may consent to such disposition if it has received 90 days' prior written notice from Recipient. Such consent may require assumption by transferee of all of Recipient's obligations under the Financing Documents and payment of OBDD's costs related to such assumption. In the case of sale, exchange, transfer or other similar disposition, Recipient shall, within 30 days of receipt of any proceeds from such disposition, prepay the entire outstanding balance on the Loan in accordance with section 4.D.(1), unless OBDD agrees otherwise in writing. - I. Financial Records. The Recipient shall keep accurate books and records for the revenues and funds that are the source of repayment of the Loan, separate and distinct from its other books and records, and maintain them according to generally accepted accounting principles established by the Government Accounting Standards Board in effect at the time. The Recipient shall have these records audited annually by an independent certified public accountant, which may be part of the annual audit of all records of Recipient.

The Recipient shall supply any related reports and information as OBDD may reasonably require. In addition, Recipient shall, upon request, provide OBDD with copies of loan documents or other financing documents and any official statements or other forms of offering prospectus relating to any other bonds, notes or other indebtedness of Recipient that are issued after the date of this Contract.

The OBDD may require Recipient to submit specific data on the economic development benefits of the Project and other information to evaluate the success and economic impact of the Project, from the date of this Contract until six years after the Project Completion Date. The Recipient shall follow standard construction practices, such as bonding requirements for construction contractors, requiring errors and omissions insurance, and performing testing and inspections during construction.

- O. Notice of Default. The Recipient shall give OBDD prompt written notice of any Default as soon as Recipient becomes aware of its existence or reasonably believes a Default is likely.
- P. Indemnity. To the extent authorized by law, Recipient shall defend (subject to ORS chapter 180), indemnify, save and hold harmless OBDD and its officers, employees and agents from and against any and all claims, suits, actions, proceedings, losses, damages, liability and court awards including costs, expenses, and attorneys' fees incurred related to any actual or alleged act or omission by Recipient, or its employees, agents or contractors; however, the provisions of this section are not to be construed as a waiver of any defense or limitation on damages provided for under Chapter 30 of the Oregon Revised Statutes or under the laws of the United States or other laws of the State of Oregon.
- Q. Further Assurances. The Recipient shall, at the request of OBDD, authorize, sign, acknowledge and deliver any further resolutions, conveyances, transfers, assurances, financing statements and other instruments and documents as may be necessary or desirable for better assuring, conveying, granting, assigning and confirming the rights, security interests and agreements granted or intended to be granted by this Contract and the other Financing Documents.

SECTION 10 - REMEDIES

- A. Remedies. Upon any Event of Default, OBDD may pursue any or all remedies in this Contract or any other Financing Document, and any other remedies available at law or in equity to collect amounts due or to become due or to enforce the performance of any obligation of Recipient. - Any communication or notice by personal delivery will be deemed effective when actually delivered to the addressee. Any communication or notice so addressed and mailed will be deemed to be received and effective five (5) days after mailing. Any communication or notice given by email becomes effective 1) upon the sender's receipt of confirmation generated by the recipient's email system that the notice has been received by the recipient's email system or 2) the recipient's confirmation of receipt, whichever is earlier. - E. No Construction against Drafter. This Contract is to be construed as if the parties drafted it jointly.
- F. Severability. If any term or condition of this Contract is declared by a court of competent jurisdiction as illegal, invalid or unenforceable, that holding will not invalidate or otherwise affect any other provision.
- G. Amendments, Waivers. This Contract may not be amended without the prior written consent of OBDD (and when required, the Department of Justice) and Recipient. This Contract may not be amended in a manner that is not in compliance with the Act. No waiver or consent is effective unless in writing and executed by the party against whom such waiver or consent is sought to be enforced. Such waiver or consent will be effective only in the specific instance and for the specific purpose given.
- H. Attorneys' Fees and Other Expenses. Any party bringing a legal action or proceeding against any other party arising out of or relating to this Contract shall bring the legal action or proceeding in the Circuit Court of the State of Oregon for Marion County (unless Oregon law requires that it be brought and conducted in another county). Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

Notwithstanding the prior paragraph, if a claim must be brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for the District of Oregon. This paragraph applies to a claim brought against the State of Oregon only to the extent Congress has appropriately abrogated the State of Oregon's sovereign immunity and is not consent by the State of Oregon to be sued in federal court. This paragraph is also not a waiver by the State of Oregon of any form of defense or immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

- J. Integration. This Contract (including all exhibits, schedules or attachments) and the other Financing Documents constitute the entire agreement between the parties on the subject matter. There are no unspecified understandings, agreements or representations, oral or written, regarding this Contract.

K. Execution in Counterparts. This Contract may be signed in several counterparts, each of which is an original and all of which constitute one and the same instrument.

The Recipient, by its signature below, acknowledges that it has read this Contract, understands it, and agrees to be bound by its terms and conditions.

EXHIBIT B - SECURITY

- A. General Fund Pledge. The Recipient pledges its full faith and credit and taxing power within the limitations of Article XI, sections 11 and 11 b, of the Oregon Constitution to pay the amounts due under this Contract. All amounts due under this Contract are payable from all legally available funds of Recipient.
- B. Refunding Proceeds. The outstanding principal of and accrued, but unpaid, interest on the Loan shall be payable from any Refunding Proceeds. The Recipient hereby grants to OBDD a security interest in and irrevocably pledges the Refunding Proceeds to pay all of the obligations owed by Recipient to OBDD under this Contract. The Refunding Proceeds pledged and hereafter received by Recipient will be immediately subject to the lien of this pledge without physical delivery or further act, and the lien of this pledge will be superior to all other claims and liens to the fullest extent permitted by ORS 287A.310. The Recipient represents and warrants that this pledge of Refunding Proceeds complies with, and is valid and binding from the effective date of this Contract as described in, ORS 287A.310.
- C. Incremental Property Tax Revenues of Urban Renewal Agency.
- (a) The Loan shall be repaid from the ad valorem property tax revenues from property within the City of Saint Helens Urban Renewal Area (the “Area”) which are attributable to the increase in assessed value of property within the Area as described in Section 1c, Article IX of the Oregon Constitution and ORS Chapter 457, and includes all earnings thereon (the “Incremental Property Tax Revenues”). The Incremental Property Tax Revenues have been pledged to Recipient by the Urban Renewal Agency of the City of Saint Helens (the “URA”) as described in an intergovernmental agreement (“IGA”) between the Recipient and the URA. Recipient shall hold the Incremental Property Tax Revenues for the Area transferred by the URA to the Recipient in a segregated fund (“Fund”). The Recipient hereby grants to OBDD a security interest in and irrevocably pledges the Incremental Property Tax Revenues held in the Fund to pay all of the obligations owed by Recipient to OBDD under the Contract. The Incremental Property Tax Revenues pledged and hereafter received by Recipient and held in the Fund will be immediately subject to the lien of this pledge without physical delivery or further act, and the lien of this pledge will be superior to all other claims and liens to the fullest extent permitted by ORS 287A.310. The Recipient represents and warrants that this pledge of Incremental Property Tax Revenues complies with, and is valid and binding from the effective date of this Contract as described in, ORS 287A.310.
- (c) Notwithstanding the requirement of subsection (b) of this Section C, loans previously made and loans made in the future by OBDD to Recipient that are secured by the Incremental Property Tax Revenues may have a lien on such Incremental Property Tax Revenues on a parity with the Loan; provided that nothing in this subsection will adversely affect the priority of any of OBDD’s liens on such Incremental Property Tax Revenues in relation to the lien(s) of any third party(ies).
- (d) The Recipient hereby represents and warrants that, pursuant to the IGA:
- (i) The URA has pledged the Incremental Property Tax Revenues to the Recipient for payment of the Loan Payments and other obligations of this Financing Contract and the IGA is a valid and binding obligation of the URA and the Recipient, enforceable in accordance with its terms.
- (ii) the URA has covenanted that: (1) the URA will not incur any obligations payable from or secured by a lien on or pledge of the Incremental Property Tax Revenues that is superior to or on a parity with the lien of the pledge made under the IGA without the written consent of the Recipient; (2) the URA will not remove any property from the Area if such removal will cause the anticipated Incremental Property Tax Revenues to be inadequate to pay the annual debt service on the Loan and any parity

obligations; and (3) the URA has represented and warranted that the Loan is within the maximum amount of indebtedness that may be incurred under the URA's Urban Renewal Plan.

- (e) The Recipient agrees that it shall not provide consent to the URA, as required by the IGA, to incur any obligations payable from or secured by a lien on and pledge of the Incremental Property Tax Revenues that is superior to or on a parity with the Loan without OBDD's written consent.
- (f) Recipient agrees that it shall not amend the IGA without the prior written consent of OBDD, which consent shall not be unreasonably withheld or delayed.

EXHIBIT C - PROJECT DESCRIPTION

The Recipient will, with the assistance of a professional engineer licensed in Oregon, design and construct the following:

- S. 1st Street roadway and utility extension beginning at the termination of S. 1st Street at the north end of the Riverfront Property and includes approximately 1,720 feet of new roadway, connecting to existing Plymouth Street improvements to the south. The cross section is 60 foot wide and will include on-street parking, a shared travel lane for vehicles and bikes, landscape strips with street trees, and extra-wide 8 foot sidewalks on each side.
- Strand Street roadway and utility extension beginning at the termination of Strand Street, approximately 180 feet south of Cowlitz Street. It will extend approximately 620 feet and terminate at a new intersection with the South 1st Street extension.
- Existing city utilities (water, sewer, and storm water) to extend the full length of the new street extensions. Sanitary sewer improvements will also include a sanitary sewer lift station relocation to a more centralized location on the Riverfront Redevelopment site.
- Intersection improvements including reducing crossing distances with curb extensions at Cowlitz Street and Strand Street, Cowlitz Street and South 1st Street, and St. Helens Street and South 1st Street, in the existing downtown and the undergrounding of utilities.
- St. Helens Riverwalk Phase I expanding public access to the river in Columbia View Park and onto the Riverfront property with 400 feet of boardwalk.
- St. Helens Riverwalk Phase II (30%) will provide conceptual design for the remainder of the access along the river to the southern connection with Plymouth Street. Phase II is approximately 2,780 feet from Phase I. Phase II will include additional overlooks, areas for cantilevered boardwalk, and/or pedestrian access down to the river. It will also be designed to connect with the S. 1st Street extension at mid-block crossings to allow the public to easily access the riverfront.
- Design of a new Columbia View Park stage.

Pre-award design and engineering costs of the Project are authorized with a maximum amount of \$300,000.
