Consent Agenda for Approval

ANIMAL FACILITIES

The following facilities have been inspected by City of St. Helens Police Department and are recommended for approval of an Animal Facility License:

ST. HELENS POLICE DEPARTMENT

150 S. 13th Street, St. Helens Oregon 97051 Office (503)397-3333 FAX (503)397-0619 Brian Greenway Chief of Police

On Wednesday May 8th at approximately 12:35 hours, I met with Ken Thurman at his residence 164 S 3rd St, St Helens OR 97051 to conduct a prescheduled Animal Facility License inspection. This inspection is to ensure the premise is in compliance with Ordinance 6.04.080, OAR 609.415, OAR 609.420, OAR 603-015-0025 through 603-015-0065. Included with the application was her liability insurance information from State Farm Fire and Casualty Company and Rabies certificate for all animals listed on application.

I noticed that Ken and Kristens' home is a single-family home in a residential neighborhood. Ken explained to me that the facility license is to allow him and Kristen to have a larger number of animals at their residence, not to run a shelter or boarding service. Ken has a total of 1 dog, one cat, two ducks and two more ducks that they will be adding to their coop.

I saw the residence had a very spacious backyard. Ken showed me the Duck coop that they have. The coop is large enough for many ducks to roam about freely and are covered by a tree that provides shade from the sun. They also built a small little house for the ducks to go in if the weather becomes rainy.

Ken explained to me that the ducks are fed anytime the food bowls become empty. They have clean potable water that is changed twice a week. Ken also explained that they clean the coop weekly to avoid rat/vermin infestation and prevent hazardous odor.

I am not aware of any recent complaints received by SHPD regarding noise, odors, stray animals, or other Ordinance Violations regarding the Thurman residence. In my opinion, I think Ken and Kristen Thurman should be granted her Animal Facility License.

Complete the application and return to the above address with the fee, copies of your dogs' licenses and a copy of your homeowners insurance. You must list each animal separately in the space provided below that you intend to keep at your facility. Your facility, including perimeter fence if required, must be inspected before your application will be forwarded to the City Council for action. The Police Department will contact you within 10 days of application to schedule an inspection. The application fee is \$40 for a two year license and must be renewed prior to expiration.

If your application is denied, you have two options to obtain compliance: 1) You meet the requirements for an animal facility license; or 2) you have only allowed animals on your property. Once you can prove that you are in compliance for a license, we can seek approval by the City Council. If you have eliminated the need for an animal facility license, you may request a refund of the application fee.
