10.1.1 If City funding from federal, state, local, or other sources is not obtained and continued at levels sufficient to allow for the purchase of the indicated quantity of service. This Agreement may be modified to accommodate a reduction in funding.

10.1.2 If Federal or State regulations or guidelines are modified, changed, or interpreted in such a way that the services are no longer allowable or appropriate for purchase under this Agreement.

10.1.3 If any license or certificate required by law or regulation to be held by Contractor, its subcontractors, agents, and employees to provide the services required by this Agreement is for any reason denied, suspended, revoked, or not renewed.

10.1.4 If Contractor becomes insolvent, if a voluntary or an involuntary petition in bankruptcy is filed by or against Contractor, if a receiver or trustee is appointed for Contractor, or if there is an assignment for the benefit of creditors of Contractor.

10.1.5 If Contractor is in breach of this Agreement, and such breach is not remedied as contemplated by Section 10.2 of the Agreement.

10.2 Breach of Agreement

10.2.1 Contractor shall remedy any breach of this Agreement within the shortest reasonable time after Contractor first has actual notice of the breach or City notifies Contractor of the breach, whichever is earlier. If Contractor fails to remedy a breach within three (3) working days of its actual notice or receipt of written notice from the City, City may terminate that part of the Agreement affected by the breach upon written notice to Contractor, may obtain substitute services in a reasonable manner, and may recover from Contractor the amount by which the price for those substitute services exceeds the price for the same services under this Agreement.

10.2.2 If the breach is material and Contractor fails to remedy the breach within three (3) working days of receipt of written notice from the City, City may declare Contractor in default, terminate this Agreement and pursue any remedy available for a default.

10.2.3 Pending a decision to terminate all or part of this Agreement, City unilaterally may order Contractor to suspend all or part of the services under this Agreement. If City suspends certain services under this Agreement and later orders Contractor to resume those services after

determining Contractor was not at fault, Contractor shall be entitled to reasonable damages actually incurred, if any, as a result of the suspension.

10.2.4 In the event of termination of this Agreement due to the fault of the Contractor, City may immediately cease payment to Contractor, and when the breach is remedied, City may recover from Contractor the amount by which the price for those substitute services exceeds the price for the same services under this Agreement, along with any additional amounts for loss and damage caused to the City by the breach, and withhold such amounts from amounts owed by City to Contractor. If the amount due Contractor is insufficient to cover City's damages due to the breach, Contractor shall tender the balance to City upon demand.

10.3 Termination for Convenience. City may terminate all or part of this Agreement at any time for its own convenience by providing three (3) days written notice to Contractor. Upon termination under this paragraph, Contractor shall be entitled to compensation for all services properly rendered prior to the termination, including Contractor's and sub consultants reasonable costs actually incurred in closing out the Agreement. In no instance shall Contractor be entitled to overhead or profit on work not performed.

For claims for professional liability, Contractor shall save, and hold harmless City, its officers, agents, and employees, from all claims, suits, or actions arising out of the professional negligent acts, errors or omissions of Contractor, its subcontractors, sub-consultants, agents, or employees in the performance of professional services under this Agreement. A claim for professional responsibility is a claim made against the City in which the City's alleged liability results directly from the quality of the professional services provided by Contractor, regardless of the type of claim made against the City.

14.3 Contractor and the officers, employees, agents and subcontractors of Contractor are not agents of the City, as those terms are used in ORS 30.265.

23.4 This Section 23 is not intended to limit the right of the City to make inspections or audits as provided by law or administrative rule.

24. Force Majeure. Neither City nor Contractor shall be considered in default because of any delays in completion and responsibilities hereunder due to causes beyond the control and without fault or negligence on the part of the parties so disabled, including but not restricted to, an act of God or of a public enemy, civil unrest, volcano, earthquake, fire, flood, epidemic, quarantine restriction, area-wide strike, freight embargo, unusually severe weather or delay of subcontractor or supplies due to such cause; provided that the parties so disabled shall within ten days from the beginning of such delay, notify the other party in writing of the cause of delay and its probable extent.
