

LENGTH OF SERVICE RECOGNITION

To: Mayor and City Council

From: Kathy Payne, Human Resources Coordinator/City Recorder

Date: April 17, 2024

I am happy to announce that we have one employee who has reached a milestone in their employment with the City of St. Helens. The following individual will be recognized at the April 17 Work Session.

5 Years

Darin Cox was hired April 15, 2019 as the City's first ever on-staff IT Specialist. His job description was improved in 2022 and he is now an IT Specialist II where he continues to serve the City Council and City staff. He is great to work with and is very much appreciated. He approaches all situations with a calm demeanor which is helpful when we panic because something happened to our computer/printer/copier, etc.

Congratulations Darin and **thank you** for your service!
