

CITY OF ST. HELENS PLANNING DEPARTMENT

MEMORANDUM

TO: City Council
FROM: Jacob A. Graichen, AICP, City Planner
RE: Annexation A.5.09 (and A.3.11) at 58209 Columbia River Highway and 35369 Millard Road
DATE: May 28, 2025

The Planning Commission considered this matter at their May 13, 2025 hearing and recommended denial to the Council.

After consideration of this and other matters, staff has determined to cease pursuing this annexation at this time (as noticed to surrounding property owners within 300 feet of the subject property on May 1, 2025 and as published in the Columbia County Spotlight newspaper on May 2, 2025).

As such, the public hearing and any deliberations of the Council on June 4, 2025 are unnecessary.
