RE: Request for Solid Waste and Recycling Rate Adjustment

Dear Mr. Walsh,

While we remain optimistic about the current and future economy, there is still uncertainty around the costs of goods and services specifically in our industry. Supply chain challenges and unknown tariffs may continue to have an impact on our business, causing increases in the costs of parts, materials, carts, containers, and trucks. We continue to see 14–18-month delays on new truck deliveries causing us to deploy older equipment at a higher operating cost. We also have continually evaluated and raised our employee wages to remain competitive, especially for drivers and mechanics. Wage pressures continue with skilled labor positions especially in Multnomah and Washington County, where we compete with other companies to recruit strong employees. This year we have implemented a 4.5% increase for all employees who live in the communities we serve.

Additionally, the Columbia County disposal tip fee at the transfer station is scheduled to increase by 2.2% on July 1st, 2025. As you know, our disposal costs are a large component of our operating costs. These are just a few examples of some of our larger cost impacts, among other increases due to current economic challenges. Given these pressures, we are requesting an increase of 3.5% on all service rates, effective July 1, 2025. While it's always challenging for us to request a rate adjustment, these increases are critical for our organization to remain competitive with employee wages, new truck and equipment purchases, and consistent customer experience improvement.

We look forward to meeting with the Council to answer any questions. We also want to thank you and the City of St. Helens for the continued relationship we have. We are proud to be your community partner!

Regards,

Kanale Tumlinson
