COMMERCIAL RECREATION SPECIALISTS

City of St. James City Pool Splashpad Installation Scope of Work 9/18/24

Scope:

- Set and connect drain lines to stubbed storm sewer drain lines by others. Stubbed pipes to be brought in the container under the drain as deep as you can go.
- Provide concrete foundations for Vortex water features.
- Set SafeSwap foundations, SafeSwaps, and embedded water features according to manufacturer's written instructions.
- Provide and install control cabinet and drain down pit.
- Provide and install manifold command center and pressure regulator.
- Provide and install conduit to Activators and pull Vortex wire to controller.
- Provide and install pipe material between manifold and water features.
- Pressure test fittings and piping.
- Install 3/8" gravel/stone chips around piping.
- Install concrete Splashpad deck and sidewalk per plan. Concrete to be standard grey mix, 6" thick, #4 rebar on 12" centers, medium broom finish, saw cut.
- Provide cure and seal for concrete deck.
- Provide site electrical with permit and inspections. Electrical to be brought from pool pump area.
- Install Splashpad in accordance with contract documents (shop drawings, P&E, etc.).
- Flush system with water to eliminate any construction debris.
- Conduct system test.
- Adjust water features' water flow to required flow rate.
- Provide laminated diagram of the manifold chart for the mechanical room.
- Provide a start-up and operation training. This is required to happen on the same day/same trip as the installation of the vertical features.
- Provide a Winterization training on site after Labor Day of the installation year, but before November 1st of the installation year.

Exclusions & Owner/GC Responsibilities:

- Receiving, offloading, and storage prior to installation.
- Site security.
- Private/Public utility locate required (unmarked utilities responsibility of Owner/GC).
- Staking of Splashpad location and elevations provided by owner.
- Permits and permitting fees not stated above.
- Provide and install water meter and backflow preventer.
- Backflow preventer certification.
- Deliver/provide all equipment to the site prior to CRS arrival.
- Water line plumbed to backflow preventer near the Splashpad manifold Cabinet and ready to be turned on.
- Area inside Splashpad excavated to 18" below final grade.
 - Excavated to 24" below final grade for Splashpads/areas with Lumiflow water features.
- Site restoration to include backfill, final grading, removal of spoils, and any seeding or landscaping.
- Removal of debris and packaging material or provide a dumpster for disposal of debris and packaging material.

Terms and Conditions

1. When Installation or site work is specified in the proposal or quote, site security is not included. The customer is responsible for ensuring security during the project when Commercial Recreation Specialists, Inc. is not present installing the specified system and immediately upon completion of the installation. In the event of vandalism or unexpected damage, Commercial Recreation Specialists, Inc. reserves the right to charge the customer for repairs and/or replacement goods.
2. This proposal or quote may be withdrawn if not accepted within thirty (30) days of its issuance. Commercial Recreation Specialists, Inc. will consider reasonable revisions to this proposal included in the terms of a subcontract provided it accurately incorporates the terms and conditions of this proposal. A proposal or quote not accepted within thirty (30) days will be subject to price escalation for Installation materials, equipment, and freight. Commercial Recreation Specialists, Inc. reserves the right to adjust its quoted price if the terms of a related subcontract increase its costs or add to Commercial Recreation Specialists, Inc.'s administrative time of compliance.
3. When Installation or site work is specified in the proposal or quote, all work shall be performed according to industry standards. Areas in which Commercial Recreation Specialists, Inc. Installation Team will be working shall be free and clear of all debris and accessible to any/all equipment necessary to perform the proposed work. Commercial Recreation Specialists, Inc. assumes the site is buildable and has suitable subsurface conditions to allow the proposed construction.
4. Unless waived in writing by Commercial Recreation Specialists, Inc., any changes to the scope of work, or the terms and conditions of this proposal shall be performed only after execution of a written change order.
5. Commercial Recreation Specialists, Inc. is not responsible for any delays due to strikes, accidents, weather, acts of God, and/or other delays beyond the control of Commercial Recreation Specialists, Inc. Commercial Recreation Specialists, Inc. is not responsible for any damages due to any of the above or similar causes outside of its control.
6. Commercial Recreation Specialists, Inc. is not responsible for receiving, off-loading, storage, installation, project management or coordination, piping, anchor bolts, concrete, surfacing, electrical, plumbing, bonding, bonding payment, geotechnical survey work, excavation, removal of existing materials, removal of debris and packaging material, site restoration, permits permit fees, stamped drawings or Health department approval unless otherwise specified in the above proposal or quote.
7. The Customer is responsible for inspecting all deliveries for damage, noting any damage on the bill of lading, and notifying Commercial Recreation Specialists, Inc. within one (1) day of receiving.
8. If applicable, sales tax has been included and will only be removed upon presentation of a Tax-Exempt form, Resale Certificate, or Capitol Improvement form. In the event any assertion of tax-exempt status is later denied by a taxing authority, the buyer will be responsible for the unpaid tax and any penalties and interest charges.
9. Freight shown is an estimate based on current quoted rates and is subject to change. Actual freight costs will be charged at the time of shipment and will be included on the final invoice applicable, the buyer is responsible for customs fees, duties, or taxes assessed by any port of entry.
10. When Installation or site work is specified in the proposal or quote, Commercial Recreation Specialists, Inc. is not responsible for private or public utility charges to locate services unless otherwise specified in the proposal or quote. Private and public utility efforts to locate services need to be completed and marked before Commercial Recreation Specialists, Inc. arrives site. Commercial Recreation Specialists, Inc. is not responsible for damage to or repair of unmarked utilities.
11. The Customer is responsible for ensuring the scope of work in the quote or proposal meets all local standards and codes and that all required approvals and permits have been obtained unless otherwise noted in the quote or proposal. This responsibility also extends to any changes requested.
12. Commercial Recreation Specialists, Inc. warrants all its labor and workmanship under the attached proposal's scope of work for a period of one (1) year from the date of substantial completion.
13. Any requested special or custom modifications and/or alterations made to products installed by Commercial Recreation Specialists, Inc. may void and null warranties provided by the manufacturer.
