ITEM: New Business – Resolution No. 06.26.03: Adopting the City of St. James Active Transportation Plan

BACKGROUND: The attached resolution adopts the City of St. James Active Transportation Plan.

A diverse Local Planning Team worked together to guide the process, incorporating extensive community engagement including listening sessions, walking and bicycle audits, an action planning workshop, and an online map and survey.

The Active Transportation Action Plan is intended to serve as a living guide for the City of St. James. It establishes clear, evidence-based and action-oriented priorities aimed at improving the safety and accessibility of walking and bicycling throughout the community.

STAFF RECOMMENDATION: Approve/Deny Resolution.
