ST. JAMES AMBULANCE SERVICE

Ambulance 51 Stretcher Replacement

ONE-PAGE FINANCIAL SUMMARY | City Council consideration | Quote 11402455

Purchase requested: One Stryker Power-PRO 2 High Configuration powered ambulance cot (Model 6507), including listed accessories and a three-year ProCare service agreement.

WHY THIS PURCHASE IS BEING REQUESTED

The existing stretcher assigned to Ambulance 51 has served the department since 2008—approximately 18 years. Replacement will provide updated powered patient-handling equipment intended to assist crews with lifting and lowering, reduce manual handling demands, and support safe, reliable ambulance operations. The purchase also includes manufacturer service coverage and preventative maintenance.

ITEMIZED EQUIPMENT

Description	Amount
Stryker Power-PRO 2 High Configuration	$38,135.10
Alvarium battery service kit	$925.50
Battery charger assembly	$1,323.75
North American power cord	$30.75
Single-sided backrest pouch	$174.75
Equipment subtotal	**$40,589.85**

PROJECT COST SUMMARY

Equipment subtotal	$40,589.85
Trade-in credit	–$3,000.00
Three-year ProCare (parts, labor, travel, preventative maintenance)	$3,819.00
Shipping and handling	$567.89
Estimated sales tax (0.000%)	$0.00

VENDOR-QUOTED GRAND TOTAL **$41,976.70**

IMPORTANT QUOTE VERIFICATION

The listed cost components calculate to $41,976.74, which is $0.04 higher than the vendor-stated grand total of $41,976.70. The quote also lists ProCare coverage as 11/05/2026–11/04/2029, while the separate contract dates show 11/05/2026–11/04/2027. Confirm both items with Stryker before issuing a purchase order. Quote dated 11/05/2026; expires 02/03/2027.

Requested City Council action: Approve the purchase of the Stryker Power-PRO 2 system and associated items at the vendor-quoted total of $41,976.70, subject to confirmation of the quote discrepancies noted above.
