ITEM: New Business – Purchase Request: Light Department Fleet Equipment

BACKGROUND: The Light Department is requesting permission to purchase fleet equipment – T86 T4 Bobcat Compact Track Loader. The requested equipment will replace the current 2019 John Deere Skid Steer. The trade-in amount is \$39,000.00. The state-bid price for the fleet equipment is \$98,856.32. The total cost is \$59,856.32. This purchase is within the 2025 budget and is being funded through the Electric Fund.

STAFF RECOMMENDATION: Approve/Deny Purchase.
