AGENDA ITEM SUBJECT: (If needed, used a separate sheet of paper)

Feasibility Study for Organic Waste Collection and Disposal in Watonwan County: A project of Climate Smart St. James in collaboration with UMN, Southwest Regional Sustainable Development Partnership. Extension

ACTION REQUESTED:

No action requested - for information only. However, if the City Council chooses to make a resolution in support of this feasibility study, we would be happy to accept that supportive gesture.

REASONS FOR REQUESTED ACTION:

We simply wish to inform the City Council of the efforts of Climate Smart St. James to explore options for an organic waste collection program to determine feasibility of any future possibilities.

Please list and supply any hand-outs and/or audio-visual materials.

Hand out with summary of Feasibility Study project. (as per email attachment)
