#### **Sec. 6.1.16. Alternative fuel vehicles parking.**

- A. *Where required.* Preferential parking for alternative fuel vehicles shall be provided for all new nonresidential parking areas containing 100 or more parking spaces, and for new parking areas of mixed-use projects where the nonresidential portion of the project requires 100 or more parking spaces. The parking spaces shall be striped with green paint to distinguish the spaces as preferential parking spaces, and in accordance with the Georgia Department of Transportation requirements.
- B. *Required number of spaces.* At least two percent of all parking spaces in parking lots identified in subsection A. of this section shall be designated for preferential parking for alternative fuel vehicles.
- C. *Location of parking spaces.* The required alternative fuel preferential parking spaces shall be located as close as possible to the primary entrance without conflicting with the Americans with Disability Act requirements, or other state or federal law. In the event the priority described in this subsection shall conflict with the priority described in section 6.1.4, section 6.1.4 shall prevail.
- D. *Signage required.* Each alternative fuel preferential parking space shall be provided with a sign that identifies the parking space as designated for use by alternative fuel vehicles. The sign shall be in compliance with chapter 21, signs.
- E. *Existing vehicle recharging stations.* Existing parking spaces with vehicle recharging stations may be used to meet the requirements of this section.
