PRESENTER: Hari Karikaran

PURPOSE: Requesting Council approval of a study by the Carl Vinson Institute to determine the City's cost to provide Public Works services internally.

FACTS: Public Works services for the City of Stonecrest are currently provided by DeKalb County. As the City considers bringing those services in-house, an objective evaluation of the cost of providing the services is necessary. Staff is recommending contracting with the Carl Vinson institute to perform such a study.
