### **Sec. 3.1.6. Overlay use table.**

Table 3.1 indicates the permitted uses within the overlay zoning districts. Even though a use is listed as an allowable use within a particular base zoning district, additional use restrictions may apply based on the applicable overlay zoning district requirements specified in this article.

- A. The uses listed in Table 3.1 shall be permitted only within the zoning overlay districts identified, and no use shall be established and no structure associated with such use shall be erected, structurally altered or enlarged unless the use is permitted as:
  - 1. A permitted use (P);
  - 2. A special use (SP) subject to the special land use permit application procedures specified in article 7 of this chapter;
  - 3. An administratively approved use (SA) subject to the special administrative permit procedures specified in article 7 of this chapter;
  - 4. An accessory use (PA) as regulated by article 4 of this chapter. Table 3.1 does not list all accessory uses but clarifies uses acceptable as accessory, though not typically considered principal uses for the zoning classification.
  - 5. Uses lawfully established prior to the effective date of this zoning ordinance.
- B. Any use not listed in Table 3.1, below, or interpreted to be allowed by the director of planning pursuant to section 4.1.2 is prohibited. Any applicant denied a permit to allow a use of property in a zoning district other than as provided in this section may file an appeal before the zoning board of appeals as provided in article 7 of this chapter.
- C. If there is a conflict between Table 3.1 and the text of this chapter, the text shall prevail.
