**SUBMITTED BY:** Janice Allen Jackson, City Manager

**PRESENTER:** Markes Wilson, Senior Consultant, Berry Dunn

**PURPOSE:** The purpose of this item is for Berry Dunn to update the City Council on the community survey they have developed, and to gather Council input on the most effective methods to get Stonecrest residents to complete the survey. The survey is designed to identify what needs Stonecrest residents believe are most significant, which will assist the City Council in determining the best way to allocate ARPA funds to address those needs.

**FACTS:** The Council previously approved a contract with Berry Dunn to assist the City with planning and management of \$9.7 million in American Rescue Plan funding. We must spend funds by December 31, 2026.

**OPTIONS:** for Discussion

**RECOMMENDED ACTION:** Discussion only
