

Temporary Certificate of Occupancy process fee

To better serve our Building Department customers and offer a Temporary Certificate of Occupancy process, a minimum fee of \$270 will need to be established to offset the cost of providing said service. This proposed fee will recoup the costs for the City's permit technicians to process the application, plan review staff time to perform a technical review of the application and the site inspection to be performed by inspection staff. This fee will allow the City of Stonecrest to recoup the costs of offering this ***optional*** service to our commercial customers.
