PURPOSE: To form an Economic Development Plan Steering Committee and appoint its initial members

FACTS: The City is preparing to develop its Economic Development Strategic Plan and will benefit from a Steering Committee to support Staff and any appointed consultants or firms. The Committee is proposed to include residents, business owners, and other stakeholders with expertise and enthusiasm relative to economic development in the City. The Committee is to act primarily as a “sounding board” – a source of input and feedback during the creation of the Plan. Pursuant to the Plan’s recommendations and/or at the pleasure of Council, the scope of the Committee could be broadened in the future.
