 - b. The company reserves the right to hire qualified subcontractors for specialized functions or work requiring specialized equipment.
- 4. **Additional Services and Jobsite Access:**
 - a. Extra work incurring additional costs will be executed only with a signed change order, incurring extra charges.
 - b. The customer will provide utilities for the work and furnish access to all parts of the jobsite related to the project.
 - c. Crabapple LandscapExperts is not responsible for damage to underground or unseen mechanical systems and foundations unless noted in the proposal. All efforts will be made to mark utilities.
- 5. **Annual Color Warranty:**
 - a. **Coverage:**
 - i. Crabapple LandscapExperts provides a one-season limited warranty for annual color installation, covering both the cost of the plant material and labor for replacement.
 - ii. As season is defined for spring annual color as:
 - 1. Spring Season: Starting the day the annual color was planted until the end of September of the same year.
 - 2. Fall Season: Starting the day the annual color was planted until the end of March the following year.
 - b. **Conditions for Valid Warranty:**
 - i. The customer must have a functioning, automatic irrigation system or maintain a temporary irrigation system until sufficient root development.
 - c. **Temporary Irrigation System Requirement:**
 - i. Sufficient root development is considered achieved when the plant material has a strong root system capable of sustaining growth independently of temporary irrigation.
 - d. **Exclusions from Warranty:**
 - i. The warranty does not cover replacements if the customer lacks a functioning, automatic irrigation system or has not maintained a temporary irrigation system until sufficient root development.
 - ii. Exclusions include damage from insects, animals, vandalism, acts of God,

lack of watering, overwatering, chemical application, and transplant-related issues.

1. Deer/Rabbit netting and deer scam are deterrents from animals accessing the plant material, however they do not guarantee the plant material will not be impacted negatively by animal predation.
- iii. Excessive freezing conditions falling outside the normal winter conditions for the hardiness zones for the area of the installation as specified by the USDA Hardiness Zone Map.
- e. **Labor Costs for Replacement Material:**
 - i. All labor costs for replacement material are included and will not be billed separately. No credits for dead material without compliant irrigation support.
- f. **Note:**
 - i. Crabapple LandscapExperts reserves the right to inspect the site before approving replacements or repairs.

6. Warranty Enforcement:

- a. Owners must promptly notify Crabapple LandscapExperts of concerns.
- b. Crabapple LandscapExperts will respond within a reasonable timeframe and proceed to repair or replace defective materials or workmanship at its cost.
- c. This warranty shall be void and will not apply to any materials which were originally installed by Crabapple LandscapExperts then subsequently repaired, adjusted, or modified by an individual or entity other than Crabapple LandscapExperts or its authorized representative.
- d. Replacements and/or repairs furnished under this warranty shall not carry a new warranty but shall carry only the unexpired portion of the original warranty provided.
- e. No person is authorized to make any warranties other than those described above or to extend the duration of any warranties beyond the period described above.

7. Proposal Acceptance:

- a. Crabapple LandscapExperts is authorized to perform the work as stated in the proposal.
