SUBJECT: Emergency Purchase of Body Worn Cameras

Item: Action Item

Department: Police

Presented By: Chief Westerfield, Police Chief

Summary:

This request is to purchase three (3) additional cameras on the Axon platform. Most, if not all, of these costs will be reimbursed by the Small, Rural, and Tribal Body-Worn Camera Micro-Grant Program for which we were approved last year. The cost is \$ \$8,434.56.

Currently there is a shortage of cameras for our staff which is a major concern. This will supply two cameras for the Police Department and one for Code Enforcement. Includes equipment, cloud storage, and licensing.
