

STORM DRAIN - ASPHALT - CONCRETE

July 9, 2024

Re: City of Stone Mountain 2023 SPLOST Resurfacing of City Streets

Our company will be milling, repaving, and striping Main Street beginning Monday, July 22, 2024. The work will be performed in two phases. Each phase will take approximately two to three weeks to complete pending weather delays or unforeseen conditions. James B. Rivers Memorial Drive to East/West Mountain Street will be the first phase. This section will be completely closed off with detour signage in place. The second phase will close off East/West Mountain Street to Poole Street with detour signage in place as well. We will proceed in a timely manner to expedite the necessary repairs to the roadway, and we apologize for any inconvenience. Any questions or concerns can be directed to Maggie Dimov with the City of Stone Mountain at 470-925-3286 or mdimov@stonemountaincity.org.

Sincerely,

A handwritten signature in blue ink that reads 'Tracey L. Allison'.
