D. Term of Agreement. Consultant understands that time is of the essence of this Agreement and warrants and represents that it will perform the Work in a prompt and timely manner, which shall not impose delays on the progress of the Work. This Agreement shall commence as of as of the Effective Date. **This Agreement will expire on the six-month anniversary of the Effective Date.** absent further written agreement of the Parties hereto (the "Term").

II. WORK CHANGES

A. Change Order Defined. A "Change Order" means a written modification of the Agreement, signed by representatives of City and Consultant with appropriate authorization.

B. Right to Order Changes. City reserves the right to order changes in the Work to be performed under this Agreement by altering, adding to, or deducting from the Work. All such changes shall be incorporated in written Change Orders and executed by Consultant and City. Such Change Orders shall specify the changes ordered and any necessary adjustment of compensation and completion time. If the Parties cannot reach an agreement on the terms for performing the changed work within a reasonable time to avoid delay or other unfavorable impacts as determined by City in its sole discretion, City shall have the right to determine reasonable terms, and Consultant shall proceed with the changed work.

C. Change Order Requirement. Any work added to the scope of this Agreement by a Change Order shall be executed under all the applicable conditions of this Agreement. No claim for additional compensation or extension of time shall be recognized, unless contained in a written Change Order duly executed on behalf of City and Consultant.

D. Authority to Execute Change Order. The City Manager has authority to execute, without further action of the Mayor or City Council, any number of Change Orders so long as their total effect does not materially alter the terms of this Agreement or materially increase the Maximum Contract Price, as set forth in Section III(B) below. Any such Change Orders materially altering the terms of this Agreement, or any Change Order affecting the price, must be approved

by the City Council.

III. COMPENSATION AND METHOD OF PAYMENT

A. **Payment Terms.** City agrees to pay Consultant for the Work performed and costs incurred by Consultant upon certification by City that the Work was actually performed and costs actually incurred in accordance with the Agreement. Compensation for Work performed and, if applicable, reimbursement for costs incurred shall be paid to Consultant upon City's receipt and approval of invoices, setting forth in detail the services performed and costs incurred, along with all supporting documents requested by City to process the invoice. Invoices shall be submitted on a monthly basis. Any material deviations in from the Work described in this Agreement shall be clearly communicated to City *before charges are incurred* and shall be handled through Change Orders as described in Section II above. City shall pay Consultant within thirty (30) days after approval of the invoice by City staff.

B. **Maximum Contract Price.** The total amount paid under this Agreement as compensation for Work performed and reimbursement for costs incurred shall be as follows:

- (i) **\$2,885.00 per week** (40-hour per week equivalent); or
- (ii) If, during the Term, the City hires or otherwise contracts with another to fill the Finance Director position, then, in that event, the weekly rate will be reduced down to **\$750.00 per week** (10-hours per week equivalent) beginning the week of the new Finance Director's start date to assist and support the City in the transitioning and onboarding of the new Finance Director; and
- (iii) Except as outlined in Section II(C) above, and Consultant represents that this amount is sufficient to perform all of the Work set forth in and contemplated by this Agreement (the "Maximum Contract Price").

C. **Reimbursement for Costs.** The Maximum Contract Price set forth in Section III(B) above includes all costs, direct and indirect, needed to perform the Work and complete the Project. There shall be no reimbursement for additional costs incurred by Consultant.

IV. COVENANTS OF CONSULTANT

A. **Expertise of Consultant; Licenses, Certification and Permits.** Consultant accepts the relationship of trust and confidence established between it and City, recognizing that City's intention and purpose in entering into this Agreement is to engage an entity with the requisite capacity, experience, and professional skill and judgment to provide the Work in pursuit of the timely and competent completion of the Work undertaken by Consultant under this Agreement. Consultant shall employ only persons duly qualified in the appropriate area of expertise to perform the Work described in this Agreement.

Consultant covenants and declares that it has obtained all diplomas, certificates, licenses, permits or the like required of Consultant by any and all national, state, regional, county, or local boards, agencies, commissions, committees or other regulatory bodies in order to perform the Work contracted for under this Agreement. Further, Consultant agrees that it will perform all Work in accordance with the standard of care and quality ordinarily expected of competent professionals

and in compliance with all federal, state, and local laws, regulations, codes, ordinances, or orders applicable to the Project, including, but not limited to, any applicable records retention requirements and Georgia's Open Records Act (O.C.G.A. § 50-18-71, *et seq.*). Any additional work or costs incurred as a result of error and/or omission by Consultant as a result of not meeting the applicable standard of care or quality will be provided by Consultant at no additional cost to City. This provision shall survive termination of this Agreement.

B. Budgetary Limitations. Consultant agrees and acknowledges that budgetary limitations are not a justification for breach of sound principles of Consultant's profession and industry. Consultant shall take no calculated risk in the performance of the Work. Specifically, Consultant agrees that, in the event it cannot perform the Work within the budgetary limitations established without disregarding sound principles of Consultant's profession and industry, Consultant will give written notice immediately to City.

C. City's Reliance on the Work. Consultant acknowledges and agrees that City does not undertake to approve or pass upon matters of expertise of Consultant and that, therefore, City bears no responsibility for Consultant's Work performed under this Agreement. Consultant acknowledges and agrees that the acceptance of Work by City is limited to the function of determining whether there has been compliance with what is required to be produced under this Agreement. City will not, and need not, inquire into adequacy, fitness, suitability or correctness of Consultant's performance. Consultant further agrees that no approval of designs, plans, specifications or other work product by any person, body or agency shall relieve Consultant of the responsibility for adequacy, fitness, suitability, and correctness of Consultant's Work under professional and industry standards, or for performing services under this Agreement in accordance with sound and accepted professional and industry principles.

D. Consultant's Reliance on Submissions by City. Consultant must have timely information and input from City in order to perform the Work required under this Agreement. Consultant is entitled to rely upon information provided by City, but Consultant shall provide immediate written notice to City if Consultant knows or reasonably should know that any information provided by City is erroneous, inconsistent, or otherwise problematic.

E. Consultant's Representative. **DANNY LAMONTE** shall be authorized to act on Consultant's behalf with respect to the Work as Consultant's designated representative, provided that this designation shall not relieve either Party of any written notice requirements set forth elsewhere in this Agreement.

F. Assignment of Agreement. Consultant covenants and agrees not to assign or transfer any interest in, or delegate any duties of this Agreement, without the prior express written consent of City. As to any approved subcontractors, Consultant shall be solely responsible for reimbursing them, and City shall have no obligation to them.

G. Responsibility of Consultant and Indemnification of City. Consultant covenants and agrees to take and assume all responsibility for the Work rendered in connection with this Agreement. Consultant shall bear all losses and damages directly or indirectly resulting to it and/or City on account of the performance or character of the Work rendered pursuant to this Agreement.

Consultant shall defend, indemnify and hold harmless City and City's elected and appointed officials, officers, boards, commissions, employees, representatives, consultants, servants, agents, attorneys and volunteers (individually an "Indemnified Party" and collectively "Indemnified Parties") from and against any and all claims, suits, actions, judgments, injuries, damages, losses, costs, expenses and liability of any kind whatsoever, including but not limited to attorney's fees and costs of defense ("Liabilities"), which may arise from or be the result of an alleged willful, negligent or tortious act or omission arising out of the Work, performance of contracted services, or operations by Consultant, any subcontractor, anyone directly or indirectly employed by Consultant or subcontractor or anyone for whose acts or omissions Consultant or subcontractor may be liable, regardless of whether or not the act or omission is caused in part by a party indemnified hereunder; provided that this indemnity obligation shall only apply to the extent Liabilities are caused by or result from the negligence, recklessness, or intentionally wrongful conduct of the Consultant or other persons employed or utilized by the Consultant in the performance of this Agreement. This indemnity obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party or person described in this provision.

In any and all claims against an Indemnified Party, by any employee of Consultant, its subcontractor, anyone directly or indirectly employed by Consultant or subcontractor or anyone for whose acts Consultant or subcontractor may be liable, the indemnification obligation set forth in this provision shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for Consultant or any subcontractor under workers' or workmen's compensation acts, disability benefit acts or other employee benefit acts. This obligation to indemnify, defend, and hold harmless the Indemnified Party(ies) shall survive expiration or termination of this Agreement, provided that the claims are based upon or arise out of actions or omissions that occurred during the performance of this Agreement.

H. Independent Contractor. Consultant hereby covenants and declares that it is engaged in an independent business and agrees to perform the Work as an independent contractor and not as the agent or employee of City. Nothing in this Agreement shall be construed to make Consultant or any of its employees, servants, or subcontractors, an employee, servant or agent of City for any purpose. Consultant agrees to be solely responsible for its own matters relating to the time and place the Work is performed and the method used to perform such Work; the instrumentalities, tools, supplies and/or materials necessary to complete the Work; hiring of consultants, agents or employees to complete the Work; and the payment of employees, including benefits and compliance with Social Security, withholding and all other regulations governing such matters. Consultant agrees to be solely responsible for its own acts and those of its subordinates, employees, and subcontractors during the life of this Agreement. There shall be no contractual relationship between any subcontractor or supplier and City by virtue of this Agreement with Consultant. Any provisions of this Agreement that may appear to give City the right to direct Consultant as to the details of the services to be performed by Consultant or to

exercise a measure of control over such services will be deemed to mean that Consultant shall follow the directions of City with regard to the results of such services only. It is further understood that this Agreement is not exclusive, and City may hire additional entities to perform the Work related to this Agreement.

Inasmuch as City and Consultant are independent of each other, neither has the authority to bind the other to any third person or otherwise to act in any way as the representative of the other, unless otherwise expressly agreed to in writing signed by both Parties hereto. Consultant agrees not to represent itself as City's agent for any purpose to any party or to allow any employee of Consultant to do so, unless specifically authorized, in advance and in writing, to do so, and then only for the limited purpose stated in such authorization. Consultant shall assume full liability for any contracts or agreements Consultant enters into on behalf of City without the express knowledge and prior written consent of City.

I. Insurance. The Consultant shall have and maintain in full force and effect for the duration of this Agreement, insurance insuring against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the Work by the Consultant, its agents, representatives, employees or subcontractors, including but not limited to commercial general liability coverage and workers' compensation coverage. Consultant shall maintain insurance policies with coverage and limits to fully cover all liabilities and obligations of Consultant under this Agreement.

Consultant shall furnish the City with certificates of insurance and endorsements to the policies evidencing all coverage required by this Agreement. The certificates of insurance and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf, unless alternate sufficient evidence of their validity and incorporation into the policy is provided. The certificates of insurance and required endorsements shall be furnished on a form utilized by Consultant's insurer in its normal course of business. The Consultant shall provide proof that any expiring coverage has been renewed or replaced prior to the expiration of the coverage.

J. Employment of Unauthorized Aliens Prohibited – E-Verify Affidavit. Pursuant to O.C.G.A. § 13-10-91, City shall not enter into a contract for the physical performance of services unless:

- (1) Consultant shall provide evidence on City-provided forms that it and Consultant's subcontractors have registered with, are authorized to use and use the federal work authorization program commonly known as E-Verify, or any subsequent replacement program, in accordance with the applicable provisions and deadlines established in O.C.G.A. § 13-10-91, and that they will continue to use the federal work authorization program throughout the contract period, **or**
- (2) Consultant provides evidence that it is not required to provide an affidavit because it is an *individual* (not a company) licensed pursuant to Title 26 or Title 43 or by the State Bar of Georgia and is in good standing.

Consultant hereby verifies that it has, prior to executing this Agreement, executed a notarized affidavit, the form of which is provided in **Exhibit B**, and submitted such affidavit to City or provided City with evidence that it is an individual not required to provide such an affidavit because it is licensed and in good standing as noted in sub-subsection (2) above. Further, Consultant hereby agrees to comply with the requirements of the federal Immigration Reform and Control Act of 1986 (IRCA), P.L. 99-603, O.C.G.A. § 13-10-91 and Georgia Department of Labor Rule 300-10-1-.02.

Consultant agrees that the employee-number category designated below is applicable to Consultant. [Information only required if a contractor affidavit is required pursuant to O.C.G.A. § 13-10-91.]

_____ 500 or more employees.

_____ 100 or more employees.

 X Fewer than 100 employees.

Consultant hereby agrees that, in the event Consultant employs or contracts with any subcontractor(s) in connection with this Agreement and where the subcontractor is required to provide an affidavit pursuant to O.C.G.A. § 13-10-91, Consultant will secure from the subcontractor(s) such subcontractor(s)' indication of the above employee-number category that is applicable to the subcontractor.

The above requirements shall be in addition to the requirements of state and federal law and shall be construed to be in conformity with those laws.

K. Records, Reports and Audits.

(1) Records:

- (a) Books, records, documents, account ledgers, data bases, and similar materials relating to the Work performed for City under this Agreement (“Records”) shall be established and maintained by Consultant in accordance with applicable law and requirements prescribed by City with respect to all matters covered by this Agreement. Except as otherwise authorized or required, such Records shall be maintained for at least three (3) years from the date that final payment is made to Consultant by City under this Agreement. Furthermore, Records that are the subject of audit findings shall be retained for three (3) years or until such audit findings have been resolved, whichever is later.
- (b) All costs claimed or anticipated to be incurred in the performance of this Agreement shall be supported by properly executed payrolls,

time records, invoices, contracts, or vouchers, or other official documentation evidencing in proper detail the nature and propriety of the charges. All checks, payrolls, invoices, contracts, vouchers, orders or other accounting documents pertaining in whole or in part to this Agreement shall be clearly identified and readily accessible.

- (2) **Reports and Information:** Upon request, Consultant shall furnish to City any and all Records in the form requested by City. All Records provided electronically must be in a format compatible with City's computer systems and software.
- (3) **Audits and Inspections:** At any time during normal business hours and as often as City may deem necessary, Consultant shall make available to City or City's representative(s) for examination all Records. Consultant will permit City or City's representative(s) to audit, examine, and make excerpts or transcripts from such Records. Consultant shall provide proper facilities for City or City's representative(s) to access and inspect the Records, or, at the request of City, shall make the Records available for inspection at City's office. Further, Consultant shall permit City or City's representative(s) to observe and inspect any or all of Consultant's facilities and activities during normal hours of business for the purpose of evaluating Consultant's compliance with the terms of this Agreement. In such instances, City or City's representative(s) shall not interfere with or disrupt such activities.

L. Ethics Code; Conflict of Interest. Consultant agrees that it shall not engage in any activity or conduct that would result in a violation of the City of Stone Mountain Code of Ethics or any other similar law or regulation. Consultant certifies that to the best of its knowledge no circumstances exist which will cause a conflict of interest in performing the Work. Should Consultant become aware of any circumstances that may cause a conflict of interest during the Term of this Agreement, Consultant shall immediately notify City. If City determines that a conflict of interest exists, City may require that Consultant take action to remedy the conflict of interest or terminate the Agreement without liability. City shall have the right to recover any fees paid for services rendered by Consultant when such services were performed while a conflict of interest existed if Consultant had knowledge of the conflict of interest and did not notify City within five (5) business days of becoming aware of the existence of the conflict of interest.

Consultant and City acknowledge that it is prohibited for any person to offer, give, or agree to give any City employee or official, or for any City employee or official to solicit, demand, accept, or agree to accept from another person, a gratuity of more than nominal value or rebate or an offer of employment in connection with any decision, approval, disapproval, recommendation, or preparation of any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing, or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim or controversy, or other particular matter, pertaining to any program requirement or a contract or subcontract, or to any solicitation or proposal therefor. Consultant and City further acknowledge that it is prohibited for any payment, gratuity, or offer of employment to be made by

or on behalf of a sub-consultant under a contract to the prime Consultant or higher tier sub-consultant, or any person associated therewith, as an inducement for the award of a subcontract or order.

M. Confidentiality. Consultant acknowledges that it may receive confidential information of City and that it will protect the confidentiality of any such confidential information and will require any of its subcontractors, consultants, and/or staff to likewise protect such confidential information. Consultant agrees that confidential information it learns or receives or such reports, information, opinions or conclusions that Consultant creates under this Agreement shall not be made available to, or discussed with, any individual or organization, including the news media, without prior written approval of City. Consultant shall exercise reasonable precautions to prevent the unauthorized disclosure and use of City information whether specifically deemed confidential or not.

Consultant acknowledges that City's disclosure of documentation is governed by Georgia's Open Records Act, and Consultant further acknowledges that if Consultant submits records containing trade secret information, and if Consultant wishes to keep such records confidential, Consultant must submit and attach to such records an affidavit affirmatively declaring that specific information in the records constitutes trade secrets pursuant to Article 27 of Chapter 1 of Title 10, and the Parties shall follow the requirements of O.C.G.A. § 50-18-72(a)(34) related thereto.

N. Key Personnel. All of the individuals identified in **Exhibit C**, attached hereto, are necessary for the successful completion of the Work due to their unique expertise and depth and breadth of experience. There shall be no change in Consultant's Project Manager or members of the Project team, as listed in **Exhibit C**, without written approval of City. Consultant recognizes that the composition of this team was instrumental in City's decision to engage Consultant for the Work and that compelling reasons for substituting these individuals must be demonstrated for City's consent to be granted. Any substitutes shall be persons of comparable or superior expertise and experience. Failure to comply with the provisions of this paragraph shall constitute a material breach of Consultant's obligations under this Agreement and shall be grounds for termination.

O. Meetings. Consultant is required to meet with City's personnel, or designated representatives, to resolve technical or contractual problems that may occur during the Term of this Agreement at no additional cost to City. Meetings will occur as problems arise and will be coordinated by City. City shall inform Consultant's Representative of the need for a meeting and of the date, time and location of the meeting at least three (3) full business days prior to the date of the meeting. Face-to-face meetings are desired. However, at Consultant's option and expense, a conference call meeting may be substituted. Consistent failure to participate in problem resolution meetings, two consecutive missed or rescheduled meetings, or failure to make a good faith effort to resolve problems, may result in termination of this Agreement for cause.

P. Authority to Contract. The individual executing this Agreement on behalf of Consultant covenants and declares that it has obtained all necessary approvals of Consultant's board of directors, stockholders, general partners, limited partners or similar authorities to simultaneously execute and bind Consultant to the terms of this Agreement, if applicable.

Q. Ownership of Work. All reports, designs, drawings, plans, specifications, schedules, work product and other materials, including, but not limited to, those in electronic form, prepared or in the process of being prepared for the Work to be performed by Consultant (“Materials”) shall be the property of City, and City shall be entitled to full access and copies of all Materials in the form prescribed by City. Any Materials remaining in the hands of Consultant or subcontractor upon completion or termination of the Work shall be delivered immediately to City whether or not the Project or Work is commenced or completed; provided, however, that Consultant may retain a copy of any deliverables for its records. Consultant assumes all risk of loss, damage or destruction of or to Materials. If any Materials are lost, damaged or destroyed before final delivery to City, Consultant shall replace them at its own expense. Any and all copyrightable subject matter in all Materials is hereby assigned to City, and Consultant agrees to execute any additional documents that may be necessary to evidence such assignment.

R. Nondiscrimination. In accordance with Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000d, section 303 of the Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6102, section 202 of the Americans with Disabilities Act of 1990, 42 U.S.C. § 12132, and all other provisions of Federal law, Consultant agrees that, during performance of this Agreement, Consultant, for itself, its assignees and successors in interest, will not discriminate against any employee or applicant for employment, any subcontractor, or any supplier because of race, color, creed, national origin, gender, age or disability. In addition, Consultant agrees to comply with all applicable implementing regulations and shall include the provisions of this paragraph in every subcontract for services contemplated under this Agreement.

S. Statutory Compliance. Pursuant to O.C.G.A. § 36-80-28, the Consultant hereby represents to City as follows:

- (1) The Consultant shall avoid any appearance of impropriety and shall follow all policies and procedures of the City;
- (2) With the exception of economic development activities that are confidential pursuant to O.C.G.A. Title 50, Chapter 18, Article 4, the Consultant shall immediately disclose to the City any material transaction or relationship, including, but not limited to, that of the Consultant, the Consultant’s employees, or the Consultant’s agents or subsidiaries, that reasonably could be expected to give rise to a conflict of interest, including, but not limited to, past, present, or known prospective engagements, involvement in litigation or other dispute, client relationships, or other business or financial interest, and shall immediately disclose to the City any material transaction or relationship subsequently discovered during the pendency of the Agreement; and
- (3) The Consultant acknowledges that any violation or threatened violation of the Agreement may cause irreparable injury to the City entitling the City to seek injunctive relief in addition to all other legal remedies.

C. **Statutory Termination.** In compliance with O.C.G.A. § 36-60-13, this Agreement shall be deemed terminated as provided in I(D) of this Agreement. Further, this Agreement shall terminate immediately and absolutely at such time as appropriated or otherwise unobligated funds are no longer available to satisfy the obligation of City.

D. **Payment Upon Termination.** Upon termination, City shall provide for payment to Consultant for services rendered and, where authorized, expenses incurred prior to the termination date; provided that, where this Agreement is terminated for cause, City may deduct from such payment any portion of the cost for City to complete (or hire someone to complete) the Work, as determined at the time of termination, not otherwise covered by the remaining unpaid Maximum Contract Price.

E. **Conversion to Termination for Convenience.** If City terminates this Agreement for cause and it is later determined that City did not have grounds to do so, the termination will be converted to and treated as a termination for convenience under the terms of Section VI(A) above.

F. **Requirements Upon Termination.** Upon termination, Consultant shall: (1) promptly discontinue all services, cancel as many outstanding obligations as possible, and not incur any new obligations, unless the City directs otherwise; and (2) promptly deliver to City all data, drawings, reports, summaries, and such other information and materials as may have been generated or used by Consultant in performing this Agreement, whether completed or in process, in the form specified by City.

Nothing herein shall be construed as creating any individual or personal liability on the part of any of City's elected or appointed officials, officers, boards, commissions, employees, representatives, consultants, servants, agents, attorneys or volunteers. No such individual shall be personally liable to Consultant or any successor in interest in the event of any default or breach by City or for any amount which may become due to Consultant or successor or on any obligation under the terms of this Agreement. Likewise, Consultant's performance of services under this Agreement shall not subject Consultant's individual employees, officers, or directors to any personal contractual liability, except where Consultant is a sole proprietor. The Parties agree that, except where Consultant is a sole proprietor, their sole and exclusive remedy, claim, demand or suit for contractual liability shall be directed and/or asserted only against Consultant or City, respectively, and not against any elected or appointed official, officers, boards, commissions, employees, representatives, consultants, servants, agents, attorneys and volunteers.

L. Counterparts; Agreement Construction and Interpretation. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument. Consultant represents that it has reviewed and become familiar with this Agreement and has notified City of any discrepancies, conflicts or errors herein. In the event of a conflict in the terms of this Agreement and/or the exhibits attached hereto, the terms most beneficial to City shall govern. The Parties hereto agree that, if an ambiguity or question of intent or interpretation arises, this Agreement is to be construed as if the Parties had drafted it jointly, as opposed to being construed against a Party because it was responsible for drafting one or more provisions of the Agreement. In the interest of brevity, the Agreement may omit modifying words such as "all" and "any" and articles such as "the" and "an," but the fact that a modifier or an article is absent from one statement and appears in another is not intended to affect the interpretation of either statement. Words or terms used as nouns in the Agreement shall be inclusive of their singular and plural forms, unless the context of their usage clearly requires contrary meaning.

M. Force Majeure. Neither City nor Consultant shall be liable for its respective non-negligent or non-willful failure to perform or shall be deemed in default with respect to the failure to perform (or cure a failure to perform) any of its respective duties or obligations under this Agreement or for any delay in such performance due to: (i) any cause beyond its respective reasonable control; (ii) any act of God; (iii) any change in applicable governmental rules or regulations rendering the performance of any portion of this Agreement legally impossible; (iv) earthquake, fire, explosion or flood; (v) strike or labor dispute, excluding strikes or labor disputes by employees and/or agents of Consultant; (vi) delay or failure to act by any governmental or military authority; or (vii) any war, hostility, embargo, sabotage, civil disturbance, riot, insurrection or invasion. In such event, the time for performance shall be extended by an amount of time equal to the period of delay caused by such acts, and all other obligations shall remain intact.

N. Material Condition. Each term of this Agreement is material, and Consultant's breach of any term of this Agreement shall be considered a material breach of the entire Agreement and shall be grounds for termination or exercise of any other remedies available to City at law or in equity.

IN WITNESS WHEREOF City and Consultant have executed this Agreement, effective as of the Effective Date first above written.
