## OVERVIEW

Stone Mountain Community Garden at VFW Park (SMCG) is an all volunteer effort and has been operating continuously since March 2011, as a partnership between the City of Stone Mountain and the Dekalb County/University of Georgia Extension Service (Extension Service). **“We Grow Community.”** So far, the SMCG has donated over 17,040 pounds of fresh produce to the Stone Mountain Ecumenical Food Pantry (Food Pantry) for distribution to local families with food insufficiencies — providing healthy and nutritious food for over 4,260 families to date. Thus far this year, we have delivered 228 pounds of fresh produce to the Food Pantry. Current crops include: arugula, bok choy, broccoli, cabbage, carrots, collard greens, garlic, green onions, kale, leeks, mustard greens, parsley, rosemary, sage, thyme, turnip greens and Swiss chard. We are currently transitioning to spring and summer crops (e.g., potatoes, peas, onions).

The SMCG provides 54 spaces for individuals in the community to grow their choices of vegetables, fruits and flowers throughout the year. We maintain an apiary with three active honey bee hives, a butterfly/pollinator garden, four composting systems, herb garden, children’s garden, grape arbor, two vertical gardens, co-planting demonstration area and a newly operational greenhouse. Pesticides are not used at the SMCG.

Master Gardeners continue to support the Community Garden through the Extension Service. They play an important role in the community by providing gardening and environmental education — through workshops, classes and technical assistance onsite. At least one Master Gardener is on duty every Saturday morning and there is a Community Workday on the second Saturday of each month.
