POND

A | ORGANIC LAWN

- 1 Entry Plaza
- 2 Park Edge and Entry
- 3 Amenity Buildings
- 4 Seating Plaza
- 5 Splash Pad
- 6 Amphitheater
- 7 Gateway / Screen Wall
- 8 Stormwater Management Area

The Organic Lawn concept activates all corners of the site with inviting amenities and weaves park uses together through a flowing, informal layout. This approach emphasizes flexibility, natural character, and layered experiences throughout the space. Key features include:

- Amenity buildings at the corner of Manor Drive
- Entry plaza and seating node along East Mountain Street
- Informal amphitheater with two terraced lawns
- Splash pad near the parking area with views to the lawn
- Outdoor seating areas for dining, gathering, and events
- Stormwater meadow with natural landscaping along the railroad edge

June 2025

A | ORGANIC LAWN

- Small Amphitheater Area
50-500 people
- Medium Amphitheater Area
500-2000 people
- Large Amphitheater Area
Up to 8,000 people

This flexible lawn space is designed to support a variety of uses from everyday activities to events of all sizes. The diagram illustrates how the space could accommodate small gatherings, mid-sized events, and large festivals. Each color represents a potential event footprint based on crowd capacity.

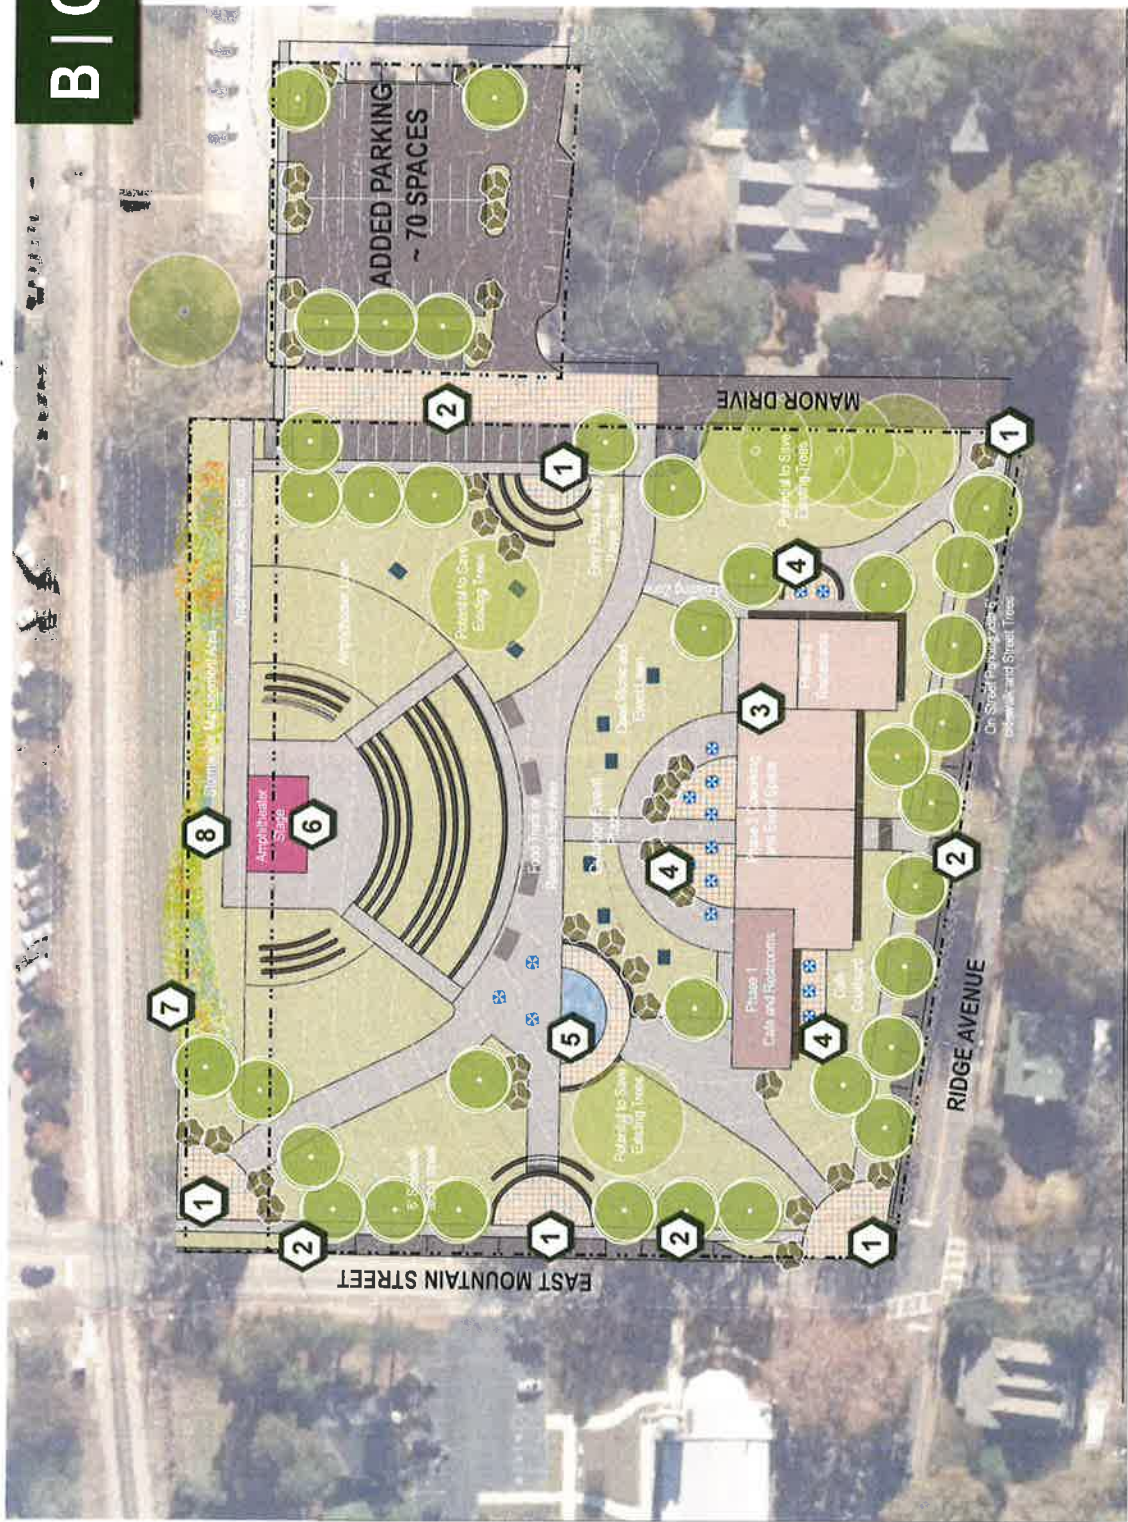

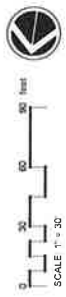

B | CENTRAL CORE

- 1 Entry Plaza
- 2 Park Edge and Entry
- 3 Amenity Buildings
- 4 Seating Plaza
- 5 Splash Pad
- 6 Amphitheater
- 7 Gateway / Screen Wall
- 8 Stormwater Management Area

The Central Core Concept brings all key uses together at the heart of the site, using a more formal layout and clear design structure. This concept focuses on creating an active central gathering space with strong visual and physical connections across the site. Key features include:

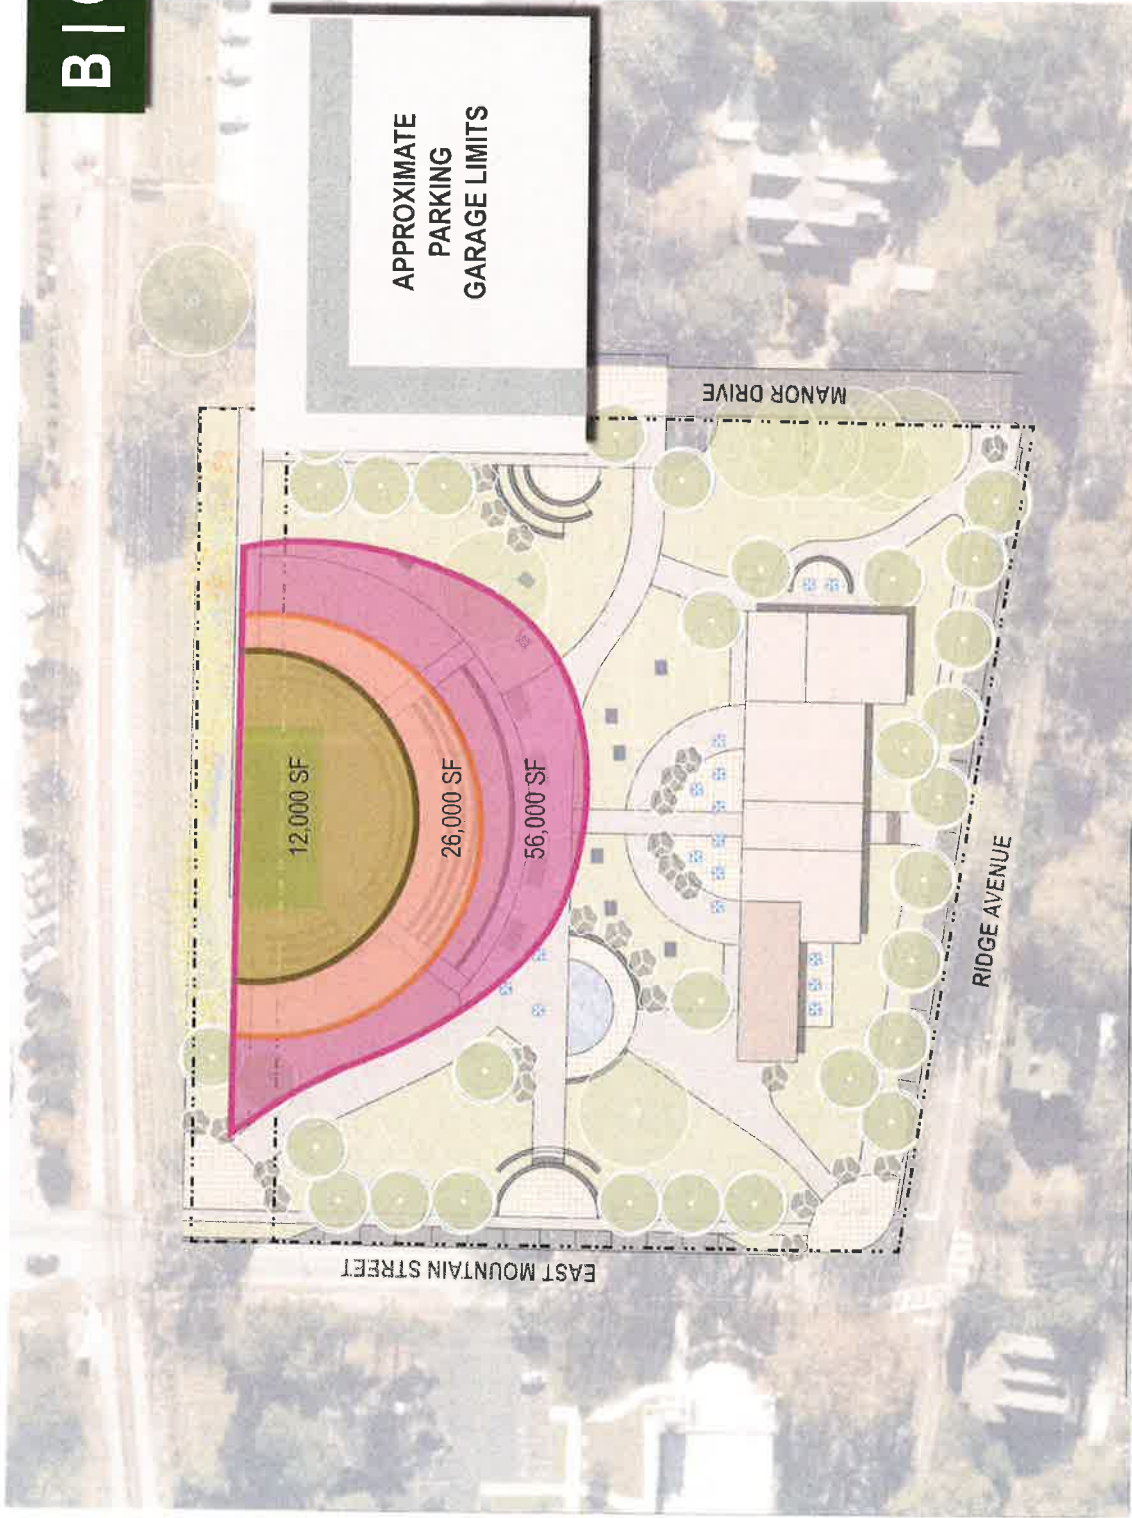

- A large amenity building fronting Ridge Avenue
- A central amphitheater with built-in seating, flexible lawn, and event space
- A splash pad located near the center for families and kids
- A spacious seating plaza for informal gathering and outdoor dining
- Multiple terraced entry plazas along Ridge Avenue and East Mountain Street

B | CENTRAL CORE

- Small Amphitheater Area
50-1,000 people
- Medium Amphitheater Area
1,000-4,000 people
- Large Amphitheater Area
Up to 10,000 people

This lawn concept illustrates how the amphitheater space can flexibly accommodate a wide range of events, from intimate performances to large community gatherings. The color bands represent different use zones within the lawn, showing how the space can expand or contract depending on the size and type of event, while maintaining clear sightlines and a cohesive layout
