

Resolution for Traffic Calming Measures on 4th Street

Whereas, the City of Stone Mountain recognizes the importance of ensuring the safety and quality of life for its residents;

Whereas, speeding and cut-through traffic have been identified as significant concerns on 4th Street, impacting the safety and well-being of residents in the affected area.

Whereas, the City of Stone Mountain has established procedures outlined in Article X of the Traffic-Calming Measures charter to address such traffic-related issues.

Whereas, the City has determined that initiating traffic-calming measures on 4th Street is warranted based on the results of a comprehensive traffic study conducted in accordance with national standards.

Whereas, the installation of traffic-calming measures is expected to mitigate speeding and cut-through traffic, enhancing the safety and livability of the neighborhood.

Resolved further, that all actions taken pursuant to this resolution shall be in accordance with the provisions outlined in Article X of the Traffic-Calming Measures charter.

Resolved, that this resolution shall take effect immediately upon passage.

BE IT RESOLVED by the City Council of Stone Mountain this ____ day of _____, 2024.

ATTEST:

City Clerk

Dr. Beverly Jones, Mayor

Approved as to form:

Jeff Strickland, City Attorney
