

CITY OF
**STONE
MOUNTAIN, GA**

Operations Report

**Presented by: Interim City
Manager, Maggie Dimov**

Time Period:

OCTOBER 8 - 21, 2025

The City Manager's Operations Report offers a comprehensive overview of key activities, upcoming projects, and community events that are helping to shape the future of Stone Mountain. The report highlights interdepartmental collaboration, ongoing infrastructure improvements, and strategic initiatives designed to enhance connectivity and strengthen community engagement. The information below reflects current operations and project updates across the City of Stone Mountain.

Code Enforcement Monthly Status Report / September

Department Head: T.D. Johnson, Code Enforcement Officer

- **Code Issues addressed:** 11 (Grass and weeds; junk vehicles; prohibited signage; building permit matters; prohibited tree removal and others).
- **W/N Issued:** 7 / Compliance Met: 1 (Grass and weeds; junk vehicles, open storage/debris; miscellaneous).

City Clerk

Department Head: Shavala Ames, City Clerk

- **JustFOIA:**
- 14 various requests completed for the City of Stone Mountain
- \$32 collected for open records requests through the portal
- **Front Office:** (2) Business License renewals executed. Processed (7) front office transactions

Public Works

- **Daily Duties:** The Public Works Department continued with daily duties, including trash collection, citywide cleanup, and bathroom maintenance.
- **Medlock Park:** Public Works staff completed cleanup and maintenance at Medlock Park. The team trimmed and removed overgrown branches and shrubs throughout the park to improve visibility, safety, and overall appearance. Debris was collected and properly disposed of.
- **VFW Entrance:** The entrance area of the VFW property was also cleaned and cleared of overgrowth and debris. This effort enhances the site's accessibility and provides a more welcoming appearance for visitors.
- **Education and Training:** The City of Stone Mountain Public Works team recently participated in a Work Zone Safety and Traffic Control training hosted by the City of Lilburn in collaboration with GDOT/LTAP. The session focused on best practices for maintaining safe work zones, implementing effective traffic control procedures, and protecting both workers and the public during roadway operations. Looking ahead, the Public Works team is scheduled to attend an upcoming Backhoe Operator Safety training in November, which will be hosted in Lilburn. This session will provide hands-on instruction designed to strengthen equipment operation skills, reinforce safety awareness, and ensure continued compliance with industry standards.

Capital Projects:

- **City Hall New Parking Lot:** The project has now officially begun. Initial site work is underway, and construction activities will proceed according to the revised schedule. As part of the updated project scope, several trees around the parking lot were removed to accommodate the new design. In addition, wheel stops will be installed in designated areas to improve safety and traffic flow within the lot. Staff will continue to monitor progress and provide updates as key milestones are reached.
- **SPLOST Street Paving Project:** The street paving project is actively progressing. The paving at Redwood Court and East Rockborough has been completed. The work consisted of a simple asphalt overlay and was finished in one day as planned. Notices were distributed to homeowners in advance of the project. The next areas scheduled for paving will be West Rockborough, weather permitting.
- **VFW:** Council approved the proposed agreement with DeKalb County. The Stone Mountain VFW Park improvement project will consist of the renovation of the facility as well as the installation of a pavilion with lawn, new parking, and drainage improvements.

Storm Water

Department Head: Mike Vasquez, Stormwater Administrator

- **Medlock Park:** Delta Plumbing conducted onsite work at the Medlock Park bathrooms to pressure wash the subgrade plumbing line. The service addressed a clog previously identified during a camera inspection performed two weeks ago. The line was pressure blasted and confirmed to be clear of obstructions.
- **McCurdy Park:** Oldcastle Infrastructure was contacted for an update regarding the four stormwater structures ordered at the beginning of September. They are ready for delivery to McCurdy Park once the site is prepared to receive them.

Grading contractors were also contacted and met onsite to provide quotes for completing the remaining stormwater infrastructure work at McCurdy Park. Two quotes have been received, and a third is pending.

Special Events

- **National Faith & Blue Weekend:** The City is planning to participate in National Faith & Blue Weekend on Saturday, October 11, 2025. This annual event is designed to strengthen relationships between law enforcement and the community through faith-based partnerships and community engagement activities. This year Faith and Blue are partnering with The Swinney Foundation: Walk A Mile In Her Shoes. Additional event details will be shared as planning progresses.
- **Halloween Event (10/31/2025):** Initial planning has begun, with early coordination efforts underway.
- **Veterans Day Brunch (11/08/2025):** Initial planning has begun, with early coordination efforts underway.
