**SUBJECT: COURT SERVICES AMNESTY PROGRAM**

**Item: ACTION ITEM**

**Department: COURT SERVICES**

**Presented By: KRISTIE TUCKER, CLERK OF COURT**

---

**Summary:**

The Court Services department would like to offer an amnesty program to resolve unpaid traffic citations. The "Amnesty Program" would run March 2, 2026, through March 31, 2026. We will offer amnesty to individuals who have outstanding traffic citations from failure to appear with the court or unresolved probation cases.

The Amnesty Program would allow defendants to resolve any outstanding charges, restore driving records for suspended drivers, while waiving the failure to appear fees that may have accrued.

**Resource Impact:**

The Court Services department has over \$100,000 in unresolved citations between 2019-2025, collecting just some of those and closing those cases will help the city recover fines and fees due and strengthen the annual case load reporting for the state.
