

Agenda Item

Meeting Date: February 03, 2026

SUBJECT: Approval of Agreement for Mardi Gras 2026 Event Services

Item: Discussion /Action Item

Department: Administration

Fiscal Impact for the City: Costs associated with public works and public safety services / estimated cost: \$16,000.00

Presented By: Maggie Dimov, ICM

Recommended Action

Approve authorization for the Mayor to enter into an agreement with Bundos Entertainment for event consulting and organization services for Mardi Gras 2026.

Background

The City Council has approved Mardi Gras 2026 as an official City of Stone Mountain event. To support the planning and execution of the event, the City issued a Request for Proposals (RFP) for event consulting and organization services.

The RFP was publicly advertised in accordance with City procurement procedures. Only one proposal was received, submitted by Bundos Entertainment, along with all required supporting documentation.

Event Date: Saturday, February 7, 2026

Scope of Responsibility

Under the proposed agreement:

- Bundos Entertainment will be responsible for all costs associated with planning and producing the event, including but not limited to vendors, entertainment, logistics, and operations.
- The City of Stone Mountain will cover the costs associated with Police and Public Works services provided in support of the event.

Financial Impact

There is no direct cost to the City for event production. City expenses will be limited to Police and Public Works services, consistent with past City-sponsored events.
