Project Information

Owner / Applicant	Tesfalem Tesfamariam
Location	5388 Cherrywood Drive
Acreage	0.0800
Parcel ID	18 037 18 037
Zoning District	Single-family residential (R-1)

SUMMARY:

The applicant requests Mayor & City Council to grant the special use of Short-term lodging—Vacation home facility at 5388 Cherrywood Drive Stone Mountain, GA 30083 (18 037 18 037). This application is required for properties in the Single-family residential (R-1) District, as outlined in Section 5-1.3 of the City of Stone Mountain Code of Ordinances.

The subject property contains a one-story duplex residential structure constructed in 1986. The dwelling is approximately 1,097 square feet and contains two bedrooms and two full bathrooms. The applicant proposes a maximum occupancy of four guests and two parking spaces available on-site, with an additional two off-street parking spaces.

ANALYSIS:

This application was reviewed for compliance in pursuant with Article XVI – Short-Term Lodging—Vacation Home Facilities. The applicant has identified two lodging rooms, with the smallest bedroom reported at approximately 120 square feet. There will be two bathrooms in the dwelling.

The applicant will need to revise the square footage, as it does not appear to match the size shown on the floor plan. The applicant will also need to revise the door opening for bathroom 2 as it appears to open where the toilet is located.

The applicant also proposed a maximum occupancy of four guests with two parking spaces available on-site.

The applicant has partially addressed the life-safety requirements of Section 16-2.1, including smoke detectors, carbon monoxide alarms, and fire extinguishers within the dwelling unit. However, it is unclear if each lodging room (guest room) will have a smoke alarm and if an accessible fire extinguisher is located within the house. The facility shall remain subject to the City's annual inspection and licensing requirements.

CONCLUSION:

Based on the submitted application materials and the analysis of the applicable provisions of the Stone Mountain Unified Development Ordinance, the Short-term lodging—Vacation home facility request partially meets the applicable review criteria. Staff's assessment is based on Article XVI.

STAFF RECOMENDATION:

Based on the analysis of this application, using the standards and criteria found in Article XVI of the UDO, staff recommends **APPROVAL** of the Use Permit application PC2026 – 18 037 18 307 – 5388 Cherrywood Drive.
