# STONE MOUNTAIN COMMUNITY GARDEN AT VFW PARK

# **COMMITTEE REPORT**

# **Members:**

COLUMBUS BROWN, CHAIR CHAKIRA JOHNSON, VICE CHAIR JULIANA PIERRE, SECRETARY LAURETTE JACKSON, MEMBER TOM ZIMMERMAN, MEMBER

#### **OVERVIEW**

**POUNDS** 

The Stone Mountain Community Garden at VFW Park (SMCG) was established in March 2011 as a partnership between the City of Stone Mountain and the Dekalb County/ University of Georgia Extension Service (Extension Service). Since that time, the SMCG has provided over seven tons of fresh produce to the Stone Mountain Ecumenical Food Pantry (Food Pantry) for distribution to local families with food insufficiencies. The SMCG is an all volunteer effort that has provided essential food for over 3,934 families to date.

Thus far in 2024, the SMCG has contributed over 890 pounds of fresh vegetables, fruits and herbs to the Food Pantry, averaging 98 pounds per month (see below).

#### **SMCG 2024 Monthly Harvests for Food Pantry**

The SMCG provides over 50 spaces for individuals in the community to grow their own vegetables, fruits and flowers throughout the year. There is also, an apiary, butterfly/pollinator garden, four composting systems, herb garden, children's garden, grape arbor and two vertical gardens. No pesticides are used at the SMCG. Ten Master Gardeners presently support this effort through the Extension Service. Volunteers (excluding Master Gardeners) have provided more than 400 service hours thus far in 2024.
