## RECOMMENDATION:

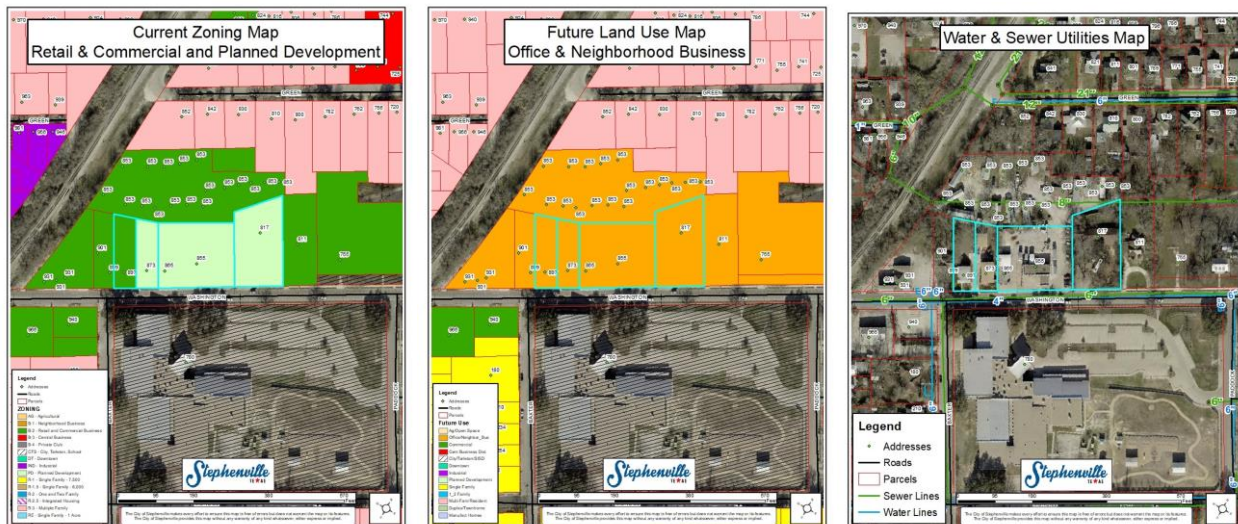

The applicant has submitted a Preliminary Plat that has been reviewed by staff. A Final Plat will be submitted to the Commission upon completion and acceptance of public improvements.

## BACKGROUND:

On August 15, 2021, the applicant presented the Conceptual Plan to the Planning and Zoning Commission for an intended townhome development. Planning and Zoning recommended City Council approve the PD which occurred December 2021. In March 2023, the City Council approved a modified development schedule.

Staff have been working with the Developer and Project Engineer with plan submittals. Additional Right-of-Way dedication is necessary. Consequently, the Developer is requesting to amend his Planned Development by adding parcel R29579 (897 W. Washington). This amendment will allow ROW dedication with additional phases of the PD to be constructed at 897 W. Washington. Overall, no additional units will be constructed and TxDOT access will not be impacted as the entrances/exit remain unchanged.
