FACTORS TO CONSIDER:

- Compliance with Comprehensive Plan?
- Is application consistent with Plan?
- If not, have conditions changed or new information been offered to support change?
- Surrounding Zoning and Land Use
- Infrastructure Impacts
- Size and Location of Parcel - is land large enough and in proper location for proposed use?
- Reasonable Use of Property - does proposed change provide reasonable use of property?
- Zoning has great discretion - deny if applicant has not proven it is in the best interest of City to rezone

ALTERNATIVES

- 1) Accept the recommendation from the Planning and Zoning Commission and approve the rezoning request.
- 2) Modify the recommendation of the Planning and Zoning Commission and approve the rezoning request designating an alternate zoning classification.
- 3) Over-rule the recommendation of the Planning and Zoning Commission and deny the rezoning request.
