Financial reporting made easy.

Build your ACFR with ease

Simplify ACFR creation and save time with pre-built templates. Ditch tedious Excel struggles and formatting frustrations.

Save time with an intuitive mapping workflow

Streamline financial statement preparation with intelligent mapping. Effortlessly link your data sources and ensure consistency throughout.

Strengthen collaboration across departments

Centralize communication between teams and auditors, accelerate approvals, and ensure ADA compliance with our cloud software.

Follow a GFOA award checklist

Meet and exceed the criteria for the GFOA Certificate of Achievement for Excellence in Financial Reporting (COA) Program.

Stay updated with dynamic figures

Save time with dynamic figures that update automatically throughout your ACFR as source data changes.

Turn your ACFR into a dynamic website

Turn your ACFR into a ADA compliant interactive website or a shareable PDF for effortless communication and accessibility.

The City of Malden is an unabashed fan of the products. We're always looking forward to when something new comes out to see if it's something that can help us and we'd advise anybody to give the products a long look because, from our perspective, it's the best in class.
