

STAFF REPORT

SUBJECT: Texas A&M Forest Service Grant

DEPARTMENT: Fire Department

STAFF CONTACT: Robert Isbell

RECOMMENDATION:

Consider approval of a grant for a Type 6 Fire Engine (TIFMAS Grass firefighting truck).

BACKGROUND:

The Stephenville Fire Department has a Texas A&M Forest Service granted type 6 fire engine. This engine is 10 years old and is eligible for replacement through a Forest Service Grant. We currently operate under the same stipulations that are necessary for application. This is the engine that is deployed on our TIFMAS responses across the state, as well as in our community.

FISCAL IMPACT SUMMARY:

There is no associated costs with this agreement. No matching funds required.
