MEETING: Public Works Committee Meeting – 07 Jul 2022
Present: P8 Mark McClinton, Chair; P1 LeAnn Durfey; P5 Ricky Thurman; P6 David Basket
Absent: None
DEPARTMENT: Public Works / Development Services
STAFF CONTACT: Nick Williams

Agenda Item 8: Professional Services Agreement for Brick Street Reconstruction Design

Discussion: A professional services agreement from Jacob & Martin, LLC was presented to provide detailed plans and specifications for the design of brick pavement improvements on College Street and Belknap Avenue, on the south and west sides respectively adjacent to the courthouse.

It was noted the prior experience with this firm was positive and that the firm has in-house staff for survey as well as material testing.

It was confirmed that the design included the intersection of College and Belknap as well as the replacement of cast iron water lines and clay sewer lines under College and Belknap. It was also confirmed that the cost was approximately 6.5% less than estimated and the funds would come from the annual capital street fund. Sufficient funds are available in the FY21-22 budget.

Committee Action: Following discussion, a motion was made by Mr. Thurman, seconded by Mr. Baskett, to forward a positive recommendation to the full council for approval of the professional services agreement with Jacob & Martin, LLC as presented.

Recommendation: The committee voted unanimously to forward a positive recommendation to the full council to accept the professional services agreement with Jacob & Martin, LLC as presented.
