FACTORS TO CONSIDER:

- Compliance with Comprehensive Plan?
- Is application consistent with Plan?
- If not, have conditions changed or new information been offered to support change?
- Surrounding Zoning and Land Use
- Infrastructure Impacts
- Size and Location of Parcel – is land large enough and in property location for proposed use?
- Reasonable Use of Property – does proposed change provide reasonable use of property?
- Zoning has great discretion – deny if applicant has not proven it is in the best interest of City to approve

ALTERNATIVES:

- 1) Uphold the recommendation of the Planning and Zoning Commission and approve the rezone request.
- 2) Overrule the recommendation of the Planning and Zoning Commission and deny the rezone request.
