**DEPARTMENT:** Development Services

**STAFF CONTACT:** Steve Killen, Director of Development Services

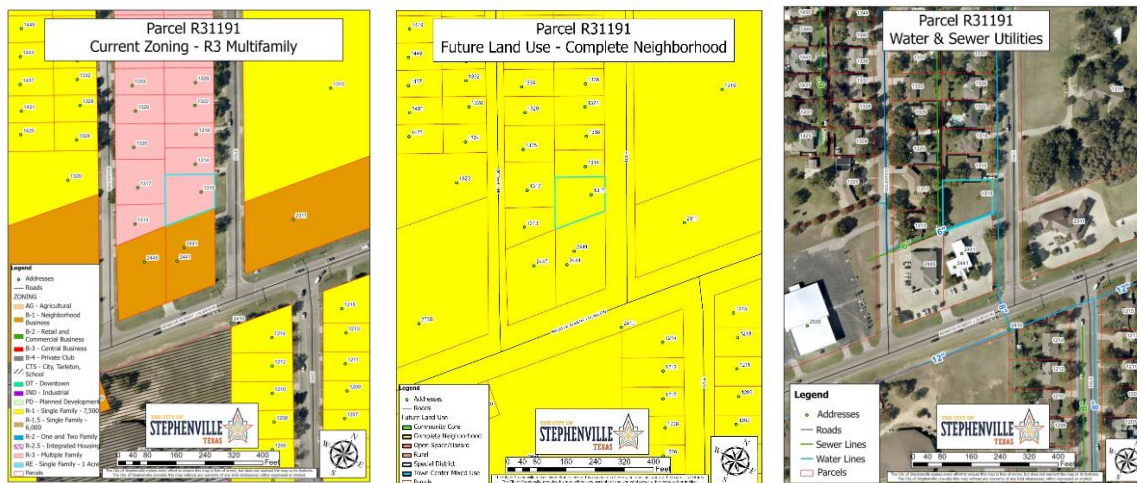

## RECOMMENDATION:

To provide the City Council with a recommendation for the rezone request. Under the Stephenville 2050 Comprehensive plan, the Future Land Use is designated as Complete Neighborhood. The intended project would be appropriate for that designation.

## BACKGROUND:

The applicant is requesting a rezone to construct townhomes. R-2.5 zoning includes townhouse dwellings as a permitted use with lot dimension requirements being 30'x100'. This parcel meets the minimum lot dimensions for the intended use, contingent upon the site plan.

## PROPERTY PROFILE:

### Complete Neighborhood

The Complete Neighborhood land use accommodates a mix of uses at a moderate density. A mix of housing types is encouraged to accommodate a range of residents. Local retail and service businesses are located on active corridors and parks and green spaces are integrated within the district.

## Sec. 154.05.8 Integrated housing district (R-2.5).
