**State Law:** By law of the State of Texas, the City of Stephenville collects a Hotel Occupancy Tax (HOT) from hotels, motels, inns, and bed-and-breakfast establishments. Chapter 351 of the Tax Code states that HOT funds may be used only if both parts of the following two-part test are met. Part One (1) requires that usage of HOT Funds must directly enhance and promote tourism and the convention, and hotel industry, and Part Two (2) limits the use of HOT Funds to the following:

**City of Stephenville Process:** The City of Stephenville accepts applications from groups who request HOT Funds for events/activities/facilities, which fit into one or more of the above listed categories. All decisions of the City Council are final.

**City of Stephenville Policy:**

1. The purpose of HOT funding is to assist and support qualified events/activities/facilities, not to be the major patron or the majority funds provider (50% or more) for the event/activity/facility budget.
2. Priority will be given to those events and entities based upon documented ability to directly promote tourism and the hotel and convention industry in Stephenville by “demonstrating a proven record of increased hotel or tourism and visitor’s activity.” Such activity may result from hotel or tourism and visitor’s guests that are already in town and choose to attend the funded event or facility, or it may result from individuals coming from another city or county to stay in an area lodging to attend the funded event or facility. Applicants should document the potential to generate increased hotel or tourism and visitor’s activity by:
  - a. Providing historical information on the number of rooms nights used during previous years of the same event/activity/facility;

  - c. Providing historical information on the number of guests at hotels or other lodging facilities that attended the funded event/activity/facility; and/or
  - d. Providing examples of marketing or programs and activities likely to generate or encourage overnight visitors to local lodging properties.

3. All applicants are encouraged to utilize local businesses for food, supplies, materials, printing, and the like. A minimum of 8% of the HOT Funds shall be spent with local businesses.
4. A portion of the revenues from any event/activity/facility receiving HOT Funds should be channeled back into the future costs of operating that same event/activity/facility or the continued operation of such.
5. It is critical that the Application/Request for funding be filled out completely and accurately. Under the application section "Fund Usage," it is responsibility of the applicant to specifically explain how the funds will be used only in eligible ways.
6. If applying under the Advertising category, please note the local requirement that advertising must be accomplished in advance of the event/activity/facility, and must utilize legitimate media for promotion outside of the area, i.e. direct mail, newspapers, magazines, radio, television, billboards.
7. As a general rule, all funding requests should be for fifty percent (50%) or less of Applicant's total projected revenue from the event/activity/facility.
8. Applicants are on notice that while the City of Stephenville makes decisions based on estimated budgets and projections, documentation of how granted funds were spent must be actual costs supported by proofs of payment. Any monies not used or not used lawfully, must be returned or repaid to the City within sixty (60) days of the event, along with the completed Post-Funding Analysis.
9. The final accounting of funds must mirror the items outlined in the Applicant's original application, in its fund expenditure outline, and in its request letter.
