dated <u>NOVEMBER 6, 2013</u>, and recorded as Instrument Number <u>2013-06984</u> or Volume _____, Page _____ of the Deed Records of said County.

When the said equipment, devices, appliances and other property is/are installed as designated by United, the Easement herein granted shall be limited to a strip of land thirty (30) feet in width <u>as described in Exhibit A.</u> Notwithstanding any other provision to the contrary, in addition to the strip of land thirty (30) feet in width located as specified in this paragraph, United shall have the right as part of the Easement to use at any time as much of the surface of the land of Grantor adjacent to such strip of land thirty (30) feet in width as may be reasonably necessary for United to enjoy the benefits of the Easement and/or to exercise its rights with respect to the Easement.

United (and its designees) is hereby granted as part of the Easement, (a) the right of pedestrian and vehicular ingress and egress over, across and upon said land for the purpose of placing, constructing, installing, inspecting, improving, operating, reconstructing, repairing, maintaining, replacing, relocating, changing the configuration of, modifying in size, number, operating capacity or otherwise and removing the said utility(ies) and/or utility service(s) and related equipment, devices, appliances, and other property, as well as reading any meter and performing any act related to the utility(ies) and/or the utility service(s); (b) the right (but not the obligation) to relocate said utility(ies), utility service(s) and related equipment, devices, appliances and other property in the same relative position to any adjacent road, if the same is widened in the future; (c) the right (but not the obligation) to trim, remove, or chemically treat with herbicide any trees and other foliage located thereon which might, in the judgment of United, damage or interfere with the operation of any permitted utility(ies), utility service(s) or related equipment, device, appliance and/or other property or otherwise be preferable; and (d) the right (but not the obligation) to prevent the construction or placement within the Easement herein granted of any buildings, materials, structures or other convenient operation of said utility(ies), utility service(s), or related equipment, devices, appliances and other property now or at any time in the future. If such buildings, materials, structures, or other obstructions are constructed or otherwise placed within the Easement by Grantor or any other party, without the prior written consent of United, then United shall have the right to remove same from such space of the land within the Easement without prior written consent of United. This agreement, easement and right-of-way, together with all other provisions of this grant, shall constitute a covenant burdening the land and is an ea

The Grantor expressly reserves for Grantor, and Grantor's successors and assigns, all rights to use the land with respect to which this Easement is herein granted for purposes which do not, in the sole judgment of United, interfere with the exercise by United of the rights hereby granted. The rights hereby granted to United may be assigned (and/or licensed) by United in whole or in part. The Grantor agrees that all equipment, devices, appliances and other property, installed over, under, across, and upon the above-described lands, shall remain and assigns shall facilitate and assist United in exercising its rights herein described. Grantor further covenants that Grantor, Grantor's heirs, successors heirs, successors and assigns shall not, individually, or in combination with others, interfere directly or indirectly with United's use of this Easement now or at any time in the future, or with the efficiency, safety, or convenient operation of the utility(ies), utility service(s), related equipment, devices, appliances, and/or other property.

This Utility Easement and Right-Of-Way contains all covenants and terms between Grantor and United related to the Easement. Any oral representations or modifications concerning this Utility Easement and Right-Of-Way shall be of no force and effect. Any subsequent amendment or modification to this Utility Easement and Right-Of-Way must be in writing and agreed to by the Grantor and United. No waiver by United of any default or breach of any covenant, condition, or stipulation herein contained, or delay by United in the utilization of any right herein granted, shall be treated as a waiver of any subsequent default or breach of the same or any other covenant condition or stipulation, or as a waiver of any right of United or of the ability of United to utilize any such right at a future date.

TO HAVE AND TO HOLD the Easement unto said United, its successors and assigns, forever, and Grantor hereby binds Grantor, and Grantor's successors, assigns, and heirs to warrant and forever defend said Easement unto United, its successors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof.
