Reason for Applying

As the Executive Director of the Erath County Senior Citizens, Inc., dba Meals on Wheels of Erath County, I am very invested in the Stephenville Senior Center continuing to be a vital part of Stephenville. Our agency serves seniors over the age of 60 with a goal to improve the physical well-being and mental welfare of Erath County senior citizens by engaging in and promoting activities that enhance independent daily living. Being on the Senior Center Advisory Board will allow me to further this goal in our community. Personally, I have an active 85 year old mother, and it is important to me that she have access to meaningful activities that allow her the opportunity to enlarge her social circle which has diminished with age.

Educational Background

I have a Masters of Social Work from the University of Texas at Arlington and am a Licensed Master Social Worker, a Bachelor's Degree in Psychology from Tarleton State University and a Associates Degree from the University of Hawaii.

Occupational Background

I have spent over 20 years working with families. For the last nearly 3 years, I have been the Executive Director of Meals on Wheels.

Relevant Experience

Meals on Wheels partners with the Senior Center and serves congregate meals four times a week to the seniors attending the center. We have recently applied, with the Senior Center for a grant to fund innovative activities to increase attendance at the center. We also serve seniors over the age of 60, but providing them with transportation, as well as delivering daily hot meals to homebound seniors. Meals on Wheels also has a program called, Friendly Visitors which partners seniors who are lonely with a volunteer in the community.

Community Involvement

I am the Vice President of the Cross Timbers Business and Professional Women and a member of the Erath County Child Welfare Board.
