Reason for Applying

My family has owned a business in downtown Stephenville for 37 years. I have a passion for recreating the energy and experience we used to have downtown when I was a little girl. There has been some renewed interest and activity and I would love be a part of helping to propel that forward. I love joining together with other business owners, city officials and other interested citizens in restoring our downtown to the vibrant place I know it can be! I am a Stephenville girl through and through and I love our town!

Educational Background

I attended Tarleton State University and majored in business.

Occupational Background

I have worked at my family business all of my life and have worn every hat there is to wear here.

Relevant Experience

I currently serve on the Stephenville Downtown Merchants board. I have served on PTO at each of my daughter's schools for the greater part of the last 12 years.

Community Involvement

I did a "shop local" campaign to raise money for other local businesses during the height of the pandemic in April of 2020. In November of 2020, I headed up the first Christmas Light Parade in conjunction with small business Saturday and lobbied for the improved Christmas tree that was displayed. I am currently heading up the Political Action Committee, Vision Stephenville, to get those 5 propositions passed for the betterment of our city!
