**Reason for Applying**

As an artist and historian I'm very much interested in helping preserve the downtown area. I grew up in Stephenville and moved to Boston in 2001 and back to Fort Worth in 2012, then to Stephenville three years ago. I've had the opportunity to live around many historical sites and believe preserving a city's history is integral to American culture. As a business owner, I'm excited about the opportunities we may have to revitalize and renovate the downtown area. It's an honor for Stephenville to be named as a Main Street historic town and I'm willing to help however I can.
