

I, Stephanie Beach, request a waiver  
of the \$100 permit fee for the mural  
being painted on the side of Anna Salon,  
270 N. Belknap St. Stephenville.

It is sponsored by Keep Stephenville Beautiful  
and Jarketon State University. It is a  
community project in which no one is  
gaining a profit. It is solely for the  
beautification of the town.

Thank you.
