

STAFF REPORT

SUBJECT: Case No.: RZ2020-013
Applicant Marc Pace is requesting a rezone of properties located at 1600 W Swan, Part of Lot 5, Block 14, South Side Addition, to the City of Stephenville, Erath County, Texas, from (I) Industrial to (R-3) Multi-Family.

DEPARTMENT: Development Services

STAFF CONTACT: Steve Killen

RECOMMENDATION:

The Comprehensive Plan for future land use designates this property to be Commercial. Future zoning for most of the surrounding properties is multifamily.

The applicant’s request was received for the November meeting. The application provided legal descriptions for the rezone request of three properties; however, only one physical address was noted. Consequently, only one of the three properties were listed in the legal notice for the November meeting. Staff is bringing the remaining properties back for approval in an effort to correct the administrative oversight.

On October 21, the Planning and Zoning Commission convened and by a vote of 5 to 1, recommended that the City Council approve the zoning request from (I) Industrial to (R-3) Multifamily for the original case, 422 S. Lillian.

BACKGROUND:

APPLICANT REQUEST:

FACTORS TO CONSIDER:

- Compliance with Comprehensive Plan?
- Is application consistent with Plan?
- If not, have conditions changed or new information been offered to support change?
- Surrounding Zoning and Land Use
- Infrastructure Impacts
- Size and Location of Parcel - is land large enough and in proper location for proposed use?
- Reasonable Use of Property - does proposed change provide reasonable use of property?
- Zoning has great discretion - deny if applicant has not proven it is in the best interest of City to rezone

ALTERNATIVES

- 1) Recommend the City Council approve the rezoning request.
- 2) Recommend the City Council approve zoning other than requested.
- 3) Recommend the City Council deny the request for rezoning.
